PRESIDENT'S NOTES

We had a record turnout at the FORMULA 500 Race Sunday, the 28th of June ----- 41 entries!!! "QUICKIE" racing is becoming very popular. Hope some more VALLEY FLYERS give it a try.

Thanks to Walt Clark, Vic Martin, Les Bernell, Ken Turner, Bob Smith, Bob Adams, Hal Lord, Bob Neihart, Gary Hawks, Richard Baylie, Joe Moharos and Adam McElrath for working the Race.

I am disappointed that other than the BOARD and ASSOCIATE BOARD MEMBERS, only two VALLEY FLYERS turned out to help. We had exactly enough workers, but each of us worked nine straight hours without relief! The proceeds received from the RACES and other MEETS, support this club financially. I think it unfair that each event we sponsor is worked by the same few people.

Next month, Aug 9th, we are putting on our first (in a long time) SCALE CONTEST. In Sept., Les is C.D.'ing another 500 RACE. I'm not asking any members to work the whole day ----- just come out a couple hours and give us a BREAK!!! We have ONE HUNDRED members in the CLUB --- Someone ----- at least give us a chance to ~~take-a-1---~~ go to the ~~bathr~~ restroom.

I have had a lot of co operation from Don Lein of the Riverside group, Harris Lee of the Scale Squadron and several other Scale type persons in organizing the SCALE CONTEST. Looks like Ken Turner (asso. board) and I will

have to C.D. the contest. The two people who volunteered to C.D. have backed out.

If you don't get involved with this one day event in some way, I can't believe you are really interested in promoting our HOBBY or CLUB. We will need about 8 good workers and a small amount of relief people. Don't worry about your lack of experience ----- none of us have ever run a SCALE CONTEST!!!! We'll do it anyway-----!! The fellows I've talked to from the Scale Squad will give us much help and advice.

If you have a scale airplane, why not enter the contest??? You don't even have to fly it in TEAM SCALE. Someone else can do it for you. To be a contestant, no matter how lousy your entry is, will be a lot of fun. I know there are several really good Scale planes hiding in the CLUB closets. Bring them out. Let's not have this MEET just for the out of town people.

I hadn't planned writing this tirade, but I'm a little TICKED! I know it's an age old story that 10% does 90%, but I'm still dumb enough to think I can "goose" someone in this CLUB to PARTICIPATE. If you are one of those who feel "goosed", come on up after the meeting to one of the BOARD or ASSOCIATE BOARD members and (I hate to say the evil word) ----- VOLUNTEER. Come to the Board meeting next time. We need your input!

See ya all Tue. night July 13, 1981 at the ENCINO WOMEN'S CLUB.

Wayne Mc. Pres SFVRCF

EDITOR'S NOTES

Wayne McElrath CD'd another successful Valley Flyer Formula 500 race. Although I lost my Quick-Ray in the 3rd round I still gained more valuable experience in how to best fly the course. Better that my aileron servo gave out in that airplane than my Spikler Quickie. If not for Dental appointments I probably would have been flying it instead! Other than a disagreement on a muffler that Gary McPipePike was using, the event went very smoothly!

Gary was using a 'Magic' muffler that really unloaded when the needle was set at the proper critical point. With the set up he was using I'm sure a few of the 'HOT' expert pilots could eventually break the one minute barrier and in my opinion that is to fast for a safely run event! The contestants voted to not allow the 'Magic Muffler' to be used for the remainder of the race or in future races!

From an information stand point there is a tear-off at the bottom of this page to try and obtain a 'Member Profile' of the Valley Flyers. The Board members will review those that are returned and produce a little statistical analysis for a future newsletter. Please take a few minutes and fill it out and bring to the July meeting.

3. Decline office or appointment.
4. Get angry if you are not nominated or appointed
5. After you are named to a committee, do not attend the meetings.
6. If you do come to the meetings, do not speak until they are over, then tell how things should have been done.

8. Oppose all new programs as being a waste of clubs money.

Presiding Wayne McElrath
Meeting convened at 8:00 PM
at the K & B factory in Downey Ca.

Minutes of the May meeting were approved by the membership.

OLD BUSINESS

Treasure's report not available.
(Editor's note: May and June treasury report available in this newsletter)

Quarter Scale meet was held at the Canyon Country Crosswinds on the 13th & 14th of June.

Bobby Tom and Pat O'Brien took us on tour of the K & B plant.

Bobby Tom gave a talk on the up coming items to be manufactured by the factory. He also disclosed that they will be producing their own carburetors in the near future starting with the K & B .40 and .45, replacing the Perry and Irvine. The new carb will be all metal instead of the plastic filled type of material currently being used.

Tony 'Terrible' Maclane used his persuasive powers to get K & B to sweeten the raffle!

Meeting adjourned at 9:15 PM.
