BOARD MEETING, November 8, 1983

The meeting was held at LuLu's Restaurant because of the large turnout. All potential candidates for six board positions turned out so that the incumbent board members could acquaint them with what is expected during their tenure. Attendees were Phil Mosko, Mel Gifis, Ken Turner, Marty Mallow, Phyllis and Marv Zauss, Pete and Betty Olsen, Cindy Rice, Bob Neithart, Dick and Lois Hager, Joe Brassner, Ken Tyler, Bob Adlen, Vic Martin, Chuck Siegle, Bob Scheuerman and Dennis Hargrove.

On Sunday, November 6, we had our first annual Valley Flyers Picnic. Ribs and dogs were on the menu with plenty of backup sodas. Marv and Phyllis Zauss did an outstanding job of ensuring this success by working all day the previous Saturday preparing this event. Cooks were plentiful with our President Phil Mosko, Pete Hamlett and Bob Eyeman sharing the honors with Vic Martin and others too numerous to mention. Comments were, we've got to do it again, and we shall hopefully make it a yearly event.

Also on Nov. 6th in the early morning, Channel 7 paid us a visit to televise an upcoming program featuring RC Flying. It was foggy, but Tim Tourtaccott took off and flew around in the fog. He got his ship down in one piece proving how "easy" it was. Phil Mosko hosted the event and we can see this televised on November 19th.

Marv Zauss, Vic Martin and Walt Clark have asked to be dropped from the nominees. A discussion took place concerning the description of the new board positions which are Event Director, Public Relations and Field Manager.

A question was asked concerning firm rules as to club behavior. The answer was that we do have bylaws, but we may revise them. Cindy Rice has indicated that the monthly publication has become a problem to her, and other arrangements have to be made.

Further discussions concerned what should be in the newsletter, personality profiles was part of that discussion. New members are introduced this way.

Ken Turner made a motion that new potential board members have the opportunity to present themselves to the membership at the next regular meeting.

Pattern Contest is Nov. 19th and 20th. The CD is Pete Calas.

Marv Zauss asked that all attend Portapotty Pilots at Lake Casitas, Nov. 11th, 12th and 13th.

Marty Mallow made and had passed a motion that the club picnic become an annual affair.

Treasurer's report followed. Vic Martin gave a short report on our upcoming Xmas Party.

Meeting was closed at 9:00 p.m.

MINUTES OF SWAP MEET MEETING, OCT. 25, 1983

To begin with, it was a success. People were coming through the doors an hour earlier than anticipated. Although all the tables did not rent out, by all indications, next year we may not have enough tables. The major advantage of this kind of an event over the auctions was that people had time to circulate and shop. No quick on the spot decisions had to be made such as at auctions. Good bargains were everywhere and by evenings end, very few items remained, and much of that could be classified as "odds and ends."

So far as your club is concerned, it was a financial success and far exceeded the income of the 1982 auction.

Our next event which should be fun for all is our picnic at the flying site on Nov. 6. On Nov. 22, we will vote for new board members, and in Dec. will be our Xmas party. So order your tickets ASAP. Remember, every time you spend a dollar, it helps your club improve our flying site.

SNACK BAR REPORT

Thanks again to everyone who participated and helped in our October 2 event. After expenses, we netted \$128.33; that is with giving the flyers all lunch, also. All in all, it was a great day and we are looking forward to the November 19th, and 20th Pattern Contest. It would be very helpful if people coming to the field to watch or participate or work, could please bring some ice to help us get through both these days. It really isn't too much of a job, if everyone can pitch in. We really save a lot of money by not having to buy the ice. Also, any of the ladies who can manage to donate some baked goodies, it would be most appreciated. We have been able to contribute quite a bit of revenue to the club for our field, within the past two years, and hope we can continue to do so. Anyone who would like to work in the snack bar on Sunday, or Saturday, please give us a call as we are going to be shorthanded and this would be a good time for anyone interested in learning, to get their feet wet, so to speak. Thanks again for your support!

Marv and Phyllis Zauss

ENTERTAINMENT AND EVENTS

This coming meeting on November 22, is a must for all members to attend as it is our annual election of officers. This election is special in that we will be adding an additional three board positions bring the total to nine.

Our December meeting will be the Christmas dinner here at the Valley Hilton on December 15th. this year. We will have a live band for your listening and dancing pleasure. Call Pete Chagares for your tickets, tele. number 362-3231. It will be a fun time for all.

For those of you that missed the Bar-B-Que on November 6th., let me tell you, it was a real good feeling to have a get together with club members and their families, just to have a good time and relax. Everyone should be happy to know that it has been made an annual affair by the board.

The last scheduled event of the year at the Basin is on Dec. 4th.. Its the Giant Scale Squadron Toys for Tots. Although the Valley Flyers doesn't put on this event, we do receive the revenue from the snack bar. So come down and remember admission is one new toy.

Mel Gifis

The Christmas Dinner will again be held at The Valley Hilton on Thursday, December 15th. Last year the food and service was very good and we have every reason to expect that it will be good again this year.

Cocktails are from 6 - 7 p.m. (No Host Bar) and Dinner starts at 7 p.m. Introductions and Awards start at 8:00 p.m. and Dancing after that. We will have a live 3 piece band.

There will be door prizes at the end and there are many good items. We have a special ladies door prize worth about \$100.00. Everyone at the dinner will get something. There will be no multiple winners.

Get your tickets at your local hobby shop or call Pete Chagares 362-3231.

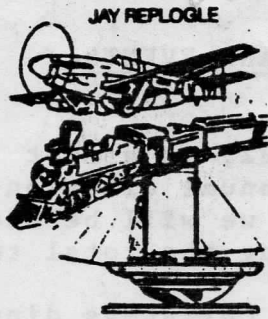

**Hope to see you there.
