VALLEY FLYERS REGULAR MEETING:

4TH TUES. OF EVERY MONTH - 7:30 P.M.
ENCINO COMMUNITY CENTER
4935 BALBOA BLVD., ENCINO, CA

PRESIDENTS CORNER

I am going to ask all members to rally around the call for safety. You all must be aware of what can happen if a flight line "Lookeelou" gets hurt with a spinning propellor. You could get sued. Yes, you sure could. . . so why not a word of caution in a nice way. . . "I will answer any question you have, and after could you please observe the flying from behind the chain link fence." Most people just simply do not understand the dangers involved in strolling among your airplanes. Its up to you to educate them.

I've been trying to finish my Sig Kommander, but I can't survive in my garage. Its been HOT and I'm sure you've noticed. Well, I'll be flying in the fall I guess.

An assault on the long distance record by RC Aircraft is contemplated by certain members of our club. We wish them good luck.

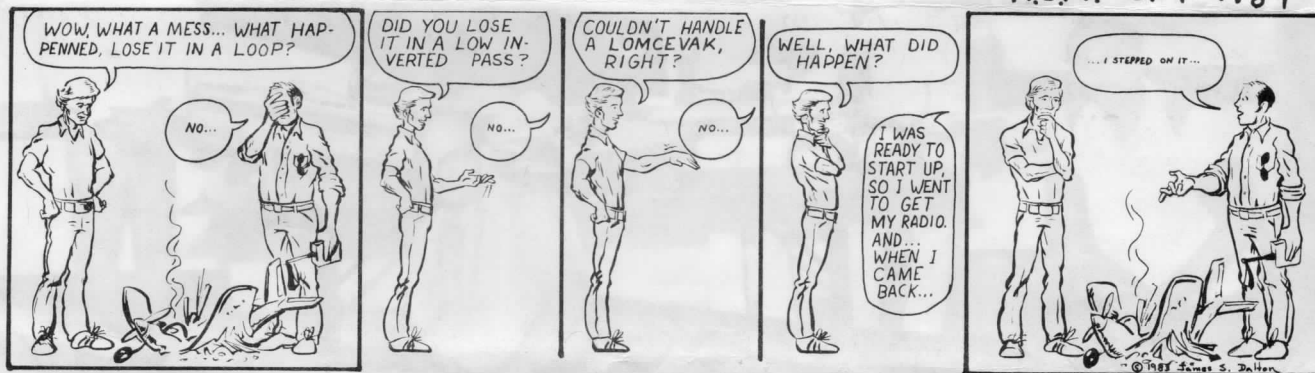

Remember people, this is your newspaper, so if you have anything you want to trade or sell, a call to the editor is all that is required.

Your board has decided that we are going to ask individuals to assist us in scheduled club activities. We just do not have enough volunteers, and your board cannot do it all. The Snack Bar is a good case and point. We have realized a good return for our investment, and this has allowed us to do the things that we have enjoyed at our field. So I will be asking you by name to assist us. We need the help. . . . and you will be helping YOUR club.

Marty Mallow
President

CLUB INSTRUCTORS

Students wishing to participate in this training program please call one of the following instructors for an appointment.

Walter Clark	345-3910	Weekends
Phillip Mosko	645-2957	Weekends
Ralph Rosen	472-7723	Weekdays
Bob Schmitz	340-4353	Weekdays
Chuck Siegle	347-3182	Weekends
Tim Tourtillot	344-9723	Weekends
Ken Turner	340-4876	Weekends
Marvin Zauss	768-0855	Weekends

GENERAL MEETING - AUG. 28, 1984

The meeting was called to order by our President Marty Mallow at 7:45 p.m., followed by the pledge to the flag.

The treasurer's report was given by the President, due to the absence of our treasurer, Pete Olson.

Our president announced that a letter is being sent to Mr. Ward, at the Parks and Recreation Dept., asking permission to erect a permanent building at the Basin for the Snack Stand and storage area. This seems to be a solution to the need of maintaining a Snack Bar and meeting the requirements of the Board of Health.

An Air Show will be held at Van Nuys Airport on Sept. 1st & 2nd, plus Static Display.

New shirts have been ordered and an order sheet was passed around for those who wish to order them. There are also T-Shirts & Hats available.

The president welcomed visitors and new members.

Vick Martin suggested having a giant yard sale to raise money for the Foundation. The money would be used for the Snack Bar, but would be deductible from your taxes as a contribution to the Foundation.

Walt Clark, President of Giant Scale Club reported on the Fun Fly that was just held at the basin by IMAA. The financial figures are not in as yet, but will be reported at the Giant Scale meeting in three weeks. From all reports the show was a big success as far as flyers, spectators, etc. They had good newspaper, TV & magazine coverage.

Show & Tell: Vick Martin - Aeronca Champ; Dennis Hargrove & Tony MacLane - Citabria; George Romaine - Sopwith; Mark Sutter - Victor Electric; Carl Stromberg - Top Flite O; and Carl Malter - Air Cruiser 60. The winners were Carl Stromberg, Sport & George Romaine, Scale. Congratulations!

Congratulations to Pete Callas, one of our members who took a first place award at the NATS!

Our speaker for the evening was Dan Panek, leading aerobatic pilot in the U.S. He is president of the LA Aerobatic Club and competes nationally. He showed 2 films and explained something about the fundamentals of aerobatic flying.

Mel Gifis asked the membership to vote on their choice of how to choose the models of the month. The vote was to have a panel judge to decide the winners.

There will be a Quickee 500 at the Basin on Sept. 23rd. Mel Gifis is CD.

There are decisions being made for a way of enclosing the pylons and timers for the races, for safety reasons.

Our meeting for October will be our annual Swap Meet. There will be a charge for admission and renting a table. Renting a table is not limited to SFVF members.

Raffle winners were: Bob Adams (twice!), Otto Meier, Vick Martin, Reed Packard, Doug Moore and Larry Bain.

Secretary**

BOARD OF DIRECTORS MEETING - SEPT. 11, 1984

The meeting, which was held at the home of Marty Mallow, was opened at 7:30 by the president.

Those in attendance were: Marty Mallow, Phil Mosko, Ken Tyler, Dick & Lois Hager, Pete & Betty Olson, Vick Martin, Ollie Van Houten, Mel Gifis & Marv Zauss.

A discussion concerning the field was held. Phil Mosko said that the city is going to reseed the area bare of grass. The club needs the members help in maintaining the field. Anytime a member is out there and sees something that needs attention, please try to take care of it. We all need to help! A two foot high fence may be put in one area in order to prevent cars from coming in and ruining our new trees. The city is willing to put in a new tree where the large one was cut down, but the club may have to pay for the cost of the tree. There are also plans in the making to erect a building 10 X 30 feet, to be used for the Snack Stand and storage.

Vick Martin was given permission by the board to buy 2 scanners.

Marty announced that the new shirts that have been ordered (the cotton button shirt) will cost approximately \$21.00 per shirt. This includes the silk screening of the emblem on the back.

There have been reports that the bathrooms at the field have been locked. If you find them locked, go to the Parks & Recreation Dept. (near the field) and report it. They are supposed to be open from 9 a.m. to 7:30 p.m.

Our Christmas party will be held on Fri., Dec. 17th. Letters will be sent out to manufacturers in order to secure products for the raffle. There will also be two main prizes like there was last year.

The NSRCA - Dist. 7 Championships are going to be held during our Pattern Contest in Oct. Vick Martin will be CD.

The treasurers report was given.

Pete Olson suggested that the club purchase a flag pole in order to fly the flag at events. It was also mentioned that a professional wind sock would be nice. Phil Mosko will check with Parks & Recreation Dept.

The meeting was adjourned at 9:30 p.m. The October meeting will be held October 9, 1984, at the home of Mel Gifis.

Lois Hager
Secretary

PROGRAMS

Our guest speaker for Sept. will be Mark Smith of Mark's Models. He wants to introduce us to a couple of new standoff scale biplanes that he manufacturers. We'll see an SE-5 and a Fokker D-7 for 40 4-cycle power. Here's an alternative for you modelers who have been thinking of building an Elder. These bipes go together real fast, give great performance and are very durable. Mark will also talk about his line of carbon composite products, and he wants to field your questions on this subject.

October will be our Swap Meet!

In November plan to enjoy our guest, former test pilot Tony LeVere.

DON'T FORGET!!! This month's meeting will be Sept. 25th! **SEE YOU THERE!**
