President: Marty Mallow
786-0029

Vice President: Ken Tyler
886-0203

Secretary: Lois Hager
893-0221

Treasurer: Pete Olson
767-0522

News Editor: Dick Hager
893-0221

Event Director: Larry Lulom
342-5225

Public Relations: Pete Chagares
362-3231

Membership Chairman: Bob Adams
345-7223

Field Manager: Phil Mosko
645-2957

VALLEY FLYERS REGULAR MEETING:

4TH TUES. OF EVERY MONTH - 7:30 P.M.
ENCINO COMMUNITY CENTER
4935 BALBOA BLVD., ENCINO, CA

PRESIDENT'S CORNER:

We are still having problems with enforcing the 200 foot maximum altitude restriction at our field and we are constantly discussing this problem with those people who are concerned. We have no firm solutions, but your board members are constantly coming up with solutions, some of which are being attempted. One letter will go to the Parks Dept. naming a violator. He will be warned and if his incursions on the rules continue, he will be banned from the field.

The picnic for the club will take place this summer and it's "steaks" this time around. Boy, I can't wait. We had a great time at the Giant Scale Fly-In. Sure wish more of you attended. Come on and help out our club events. The only requirements are that you simply show up. We'll teach you in about 5 minutes what you can do to help.

Yours truly had another crash when a connector became intermittent. How can you anticipate that? It's a good thing I have an understanding wife who increases my allowance when I crash, otherwise I would have to get into a less costly hobby like. . . girls.

Marty Mallow
President

Secretary's Note: Marty, since when are girls less costly?

GENERAL MEETING - April 23, 1985

The meeting was called to order by our President Marty Mallow at 7:40 p.m., followed by the Pledge to the flag.

The weather for the Fun Fly at the Veterans Hospital was not to good, but thanks to Vick Martin and everyone who helped, it was as successful as possible. Because of the cool weather, there were not as many Vets able to come outside as we had hoped. Two of the Raiderettes from the L.A. Raiders were at the hospital to "brighten" everyone's spirits. Thanks to Model Builder Magazine for donating 3 subscriptions to their magazine and a plane to the hospital.

There has been a complaint that one of the hobby shops is selling transmitters with airplane frequency radios, which are being used in the area of our field. Tony MacLane will look into the problem.

A complaint has been filed with the Van Nuys Air Control Tower from a pilot who claims he was almost hit by a model plane. As everyone knows, we have had a real problem with people ignoring the height regulation. The Parks and Recreation Dept. has informed our president that they are willing to back our club up by banning anyone from the field if they continually break the rules. We are being very closely monitored because of the complaint, so PLEASE be careful!

The MAC Show will be held at the Long Beach Convention Center May 27th and 28th. The Giant Scale Club and the Valley Flyers Foundation will both have booths. If you can help, see either Vick Martin or Marv Zauss.

Copies were made for directions on how to make the arm powered planes for next month. Pick one up if you plan to build a plane for next month's contest.

The Giant Scale Club is having a Fun Fly at the basin May 4th & 5th. There will be a Snack Stand. Entry fee is \$10.00 and there will be a pilots raffle. A dinner will be held at Leons Steak House Sat. evening, May 4th. See Marv for tickets.

Phil Mosko spoke with the gentleman who runs the snack truck out at the field. Phil reported that something may be able to be worked out for us to receive profits from hot dogs and soda if we were to supply them for him to sell. Phil will follow up with more details and possibilities.

The Goof Bowl Award went to Walt Clark for turning his power ON instead of OFF and running his plane into someone's "backside".

Show and Tell: Marv Zauss - Super Kaos, Charlie Manzo - Top Flite P47, and Carl Stronberg - Dualist. All were winners and received awards!

Larry Laulom gave an interesting and informative demonstration on engine and radio installation. We are fortunate to have members who will share their knowledge with our club. Thanks Larry!

Raffle winners were: Jerry Case, Phil Mosko, John Dyer and Ken Turner.

The meeting was adjourned at 9:30.

Lois Hager
Secretary

THIS MONTHS MEETING: May 28th, 7:30 p.m. at the Encino Community Center. This month we will have the Arm Powered Plane Contest. Bring a plane and come have some fun or just come and watch! It is usually alot of fun!

BOARD OF DIRECTORS MEETING - MAY 14, 1985

The meeting was held at the home of Dick & Lois Hager. Those in attendance were Marv & Phyllis Zauss, Bob & Candy Adams, Ken Tyler, Larry Laulom, Vick Martin, Marty Mallow, Pete & Betty Olson, Dick & Lois Hager and Pete Chagares.

Vick Martin received a Thank You letter from Dave Smith at the Veterans Hospital, thanking flyers for participating in the Fly In, April 21st. Vick reported that there was good media coverage and good flyers, but the weather (cool) and the condition of the field left something to be desired. If this event is held again and we hope that it will be, there will be more communication with the hospital to try and insure better conditions. Sorry — we have no control over the weather. We may hold it later in the year another time.

The Giant Scale Fun Fly May 4th & 5th was a tremendous success. The Snack Stand netted \$1,000. \$700 was given to the Valley Flyers. Part of this money was given to help pay for the Giant Scales' share of the field maintenance for the remainder of this year. Marv Zauss wants to thank everyone who helped make this event such a success. There were many "helping hands".

The Snack Bar permit was more difficult to obtain for the last event. There must be a "screened-in" area for food to be cooked in. We will have to look into this matter more.

Ken Tyler has someone available to draw some plans for a storage — snack stand building out at the field. This way we can have some idea of costs, etc. and be able to make further decisions with more direction. A committee consisting of Vick Martin and Marv Zauss was appointed to help with the plans.

Larry Laulom was given the money by the treasurer to purchase 2 batteries for the PA System.

The board passed a motion to look into the possibility of purchasing a new PA System.

Ken Tyler suggested that a sign, authorized by the Parks & Recreation Department be put up at the field informing all flyers that they can be banned from the field if the rules are repeatedly disobeyed. There was a motion made, seconded and passed to put up the sign with the approval of the Parks & Recreation Dept.

There was a long discussion pertaining to the goals and direction of our club, whether or not we should have more social events, family events, etc. Also discussed were club dues, money spent and how we can encourage new memberships. The board is trying to make your club enjoyable for as many as possible.

The meeting was adjourned at 9:45 p.m.

Lois Hager
Secretary

LETTER FROM THE CITY:

The following is an excerpt from a letter we received from the city, which again threatened to close our field:

"Blatant disregard of safety rules, primarily of the 200 ft. height limitations, will result in the closure of the field."

Please, let's all try and avoid having our field close down.

IN MEMORY: Marv Bigman, a frequent visitor to our club meetings, passed away this month. He will be missed. Our condolences to his family.

EDITORS NOTE: There are many people who help out by doing things to make our club run smooth. One such person is Phyllis Zauss. I want to thank her for typing the Club Roster found in this newsletter. It is always the busiest people who find time to do that extra work. Thanks Phyllis!

Once again, I would like to encourage you to contribute to the newsletter in the form of ideas, articles you have read that you would like to have printed or any news that is pertinent to our membership. The deadline for anything going into the newsletter is the 2nd Friday of every month. We would appreciate ideas!

PROGRAMS

Hello Everyone:

First, I would like to thank Larry Laulom for the excellent presentation last month. Thanks for the tip on how to line up the aileron servo.

Don't forget that this is the month for the arm powered glider contest. Be sure to be there.

This month we will hold the Sixth Annual Three View Arm Powered Plane Contest. The rules are as follows:

- (1) Build a "dime glider" type model of any airplane published in a magazine, book, or whatever by tracing the fuselage onto $\frac{1}{4}$ " balsa-----wings and tail feathers on $\frac{1}{16}$ ". Cut out and finish in your favorite way or leave unfinished for flyability.
- (2) Bring the 3-view for proof of scale. No plane will be eligible without it.

Planes will be judged on looks and accuracy to the 3-view.

EVENTS:

DURATION - (by elimination) or last to hit the ground.

SPEED - (by elimination) or first to cross finish line.

DISTANCE - (by elimination) measured in a straight line.

TROPHIES OR RIBBONS thru third place. Additional PRIZES for BEST model, BEST finish, and MOST UNUSUAL will be awarded. Each plane must prove it can fly.

Come on over to the meeting and compete or root for your favorite. This event is always a lot of fun.

**Pete Chagares
Entertainment Director**

CLUB INSTRUCTORS

Students wishing to participate in this training program please call one of the following instructors for an appointment.

Walter Clark	345-3910	Weekends
Phillip Mosko	645-2957	Weekends
Ralph Rosen	472-7723	Weekdays
Bob Schmitz	340-4353	Weekdays
Chuck Siegle	347-3182	Weekends
Tim Tourtillot	344-9723	Weekends
Ken Turner	340-4876	Weekends
Marvin Zauss	768-0855	Weekends
