VALLEY FLYERS REGULAR MEETING:

4TH TUES. OF EVERY MONTH - 7:30 P.M.
ENCINO COMMUNITY CENTER
4935 BALBOA BLVD., ENCINO, CA

PRESIDENT'S CORNER

The picnic was indeed a success, and sometimes the word "thanks" is pretty inadequate, but thanks it is to all those who co-operated and made it the success it was.

We are approaching our Christmas Party now, and unlike last year we selected a date (Dec. 6) which it is hoped will not conflict with any scheduled year end parties that are so much a part of that time of year. The cost is only twenty dollars a couple and the menu is going to be an attractive one with much to choose from. So lets make it a gala turnout, "all for one and one for all."

To answer questions concerning the article in the Times that talked about those lakes in the Sepulveda Basin area, let me tell you that the discussions I've had point clearly to these facts. First, the lake proposed for the area at Victory and Balboa is not even close to us. The other lake is supposed to be located on the EAST side of Woodley, near Burbank, so we will NOT be affected by that lake either. Will we be allowed to use the lakes to take off RC seaplanes, well the one near Woodley and Burbank is supposed to be a bird sanctuary, so I doubt if we can use it. (Pity the birds). The one near Balboa and Victory is supposed to be for boating, and no swimming. This means that RC planes could be classified as a risk to the boaters, so that might preclude the use of RC aircraft at that location. In the meantime, no further word has been received.

Wish to thank Dave Peltz for his fine presentation at the last meeting. With Him Scarborough stepping out as V.P. for district 10, it is hoped Dave will succeed him as our AMA representative.

Enjoyed Ken Johnson's talk on his experiences as a Spitfire pilot during WWII. We'll continue to try to bring you speakers who will contribute to our interest.

PROGRAMS

Hi Gang,

This month is our annual Swap Meet so clean out your attic, dust off your old models, engines, radios etc. and bring them to the Encino Community Center. Tables are \$5.00 for sellers. Admission is \$1.00 for buyers & spectators.

November we will have a speaker from Craft Air with some exciting new models. December is our Dinner so there will be no meeting.

Don't forget to get your tickets for the Dinner. They are only \$10.00 per person so there are no excuses for not being there.

Thanks to our guest speakers last month. They were really very entertaining.

At this month's meeting we will be nominating and electing five (5) new board members. Either nominate someone or nominate yourself. This is your club so if you want some input into what is happening for the next two years, now is the time to nominate yourself.

One last item — at the Christmas Dinner this year, we will be giving out a mystery prize to each and every person attending. So be there!

Pete Chagares,
Program Chairman
