VALLEY FLYERS REGULAR MEETING:

**4TH TUES. OF EVERY MONTH - 7:30 P.M.
ENCINO COMMUNITY CENTER
4935 BALBOA BLVD., ENCINO, CA**

GENERAL MEETING - August 26, 1986

The meeting was called to order at 7:42pm, followed by the Pledge of Allegiance lead by the President, Ken Tyler.

The introduction of our new guest followed. Our new guest at this meeting was Gary Simmons. Welcome to the club Gary.

There wasn't any Treasurer's report as our Treasure was absent at this meeting. We will have to wait until next month to hear the financial status.

Pat Baner reported that the city will not pave the field entrance way, but they will pave a portion of the parking lot. The entrance way will only be graded. The paving of the parking lot will not take place until mid 1987. A private contractor submitted a bid to the club of \$7,000.00 to blacktop and stripe the pit area, taxi-ways, and the runway. The Board of Directors will take this bid under consideration.

Gene Sidwell, our Event Director, spoke on his experience flying a P38 as an Air Force Pilot. He described the performance and also spoke on the major events during the development phase of this aircraft. It was a very interesting and educational talk. Thanks Gene, well done.

The Goof Ball award nominations were: Pat Baner, Gene Sidwell, J.W. Hedden, Ken Turner, and Ken Tyler. Ken Tyler was the proud recipient of this award for this month.

Show and Tell: Art Major, presented his Sig Cavalier. This is a very special plane, as it recently had its 300th flight. Other presentations were, Lowell Wexler - Scratch Built SR71, Bob Lodge - P51 Sport, Bob Edwards - Falcon 56, and George Simmons - a restored Decathalon, that Marty Mallow crashed and threw in the trash container at the field.

Winner of Show and Tell: Bob Lodge with his P51. Congradulations Bob.

Raffle Winners: Ralph Council (2), Bob Edwards, Milt Morris, John Dyer, Dan Mintzer and Clarence Connor.

The meeting was closed at 9:45pm.

HELLO!!

This month's guest speaker will be Bob Renaud of Airtronics. He will be showing their products and answering all our questions regarding radios now and in the future. It should be a good meeting.

Don't forget next month is our annual swap meet. Bring all your goodies that you've been thinking about selling. Donations are \$5.00 for sellers and \$1.00 for buyers.

See you at the meeting.

Pete Chagares

The Club Secretary, Art Pelka, called the meeting to order at 7:30pm. Those in attendance were Ron McClave, Gene Sidwell, Bob Adams, Pat Baner, J.W. Hedden, Pete Chagares, Larry Laulom, and Vic Martin.

OLD BUSINESS

Jerry Silverman contacted the V. A. Hospital Administration and the administrator cancelled the fun fly scheduled at the hospital. Bulletins were sent to the club members notifying them of the cancelled event. Vic Martin suggested that in the future, we get a letter to confirm an event like this. Good suggestion Vic.

Bob Adams, Club Membership Chairman, will send all club members that are not AMA members, a letter to inform them that they must be an AMA member to have a membership in the Valley Flyers Club.

In the future all people working club sponsored events, will be given patches in recognition of their efforts.

Pat Baner reported that the Valley Art Banquet Hall will not be available for the clubs Christmas party.

NEW BUSINESS

The board discussed the club operating a snack stand at the flying field when events are held. There are two major problems.

1. City food license/permit
2. A club member that will be in charge of the stand at the events.

Pat Baner will check with the Department of Los Angeles City Parks, if we can get a permit to operate the stand.

Pat also announced that the city will not pave the entrance way to the flying field. He said that they will only commit to paving the parking area. They will someday however grade the entrance way.

A motion was made, seconded, and passed, that the raffle tickets at the club monthly meeting be \$1.00 each.

A motion was made, seconded, and passed to sell a club owned model helicopter for \$430.00.

Pete Chagares suggested that we purchase a stripe machine for \$50.00 to restripe the field. A motion was made to purchase the stripe machine and two cases of paint. This motion was seconded and passed. Pete Chagares will make the purchase for the club.

The Basin Newsletter will continue to include the flying safety rules and coming events with all future publications.

The Giant Scale Club is considering requesting a merger with the Valley Flyers.

The meeting closed at 9:30pm.
