VALLEY FLYERS REGULAR MEETING:

4TH TUESDAY OF EVERY MONTH - 7:10 P.M.
ENCINO COMMUNITY CENTER
4935 BALBOA BLVD., ENCINO, CA

PRESIDENTS MESSAGE

This year will soon be coming to an end, which brings to my attention a serious concern: replacement of board members who's time will soon expire. It is important that we select members who are willing to give their time to serve diligently in the office that he/she accepts. The success or failure of our club depends directly on the commitment of each board member. With the field problems that we have had in 1987, a great effort will be required next year to develop and implement a plan to control designated flying time for only our club members. This will be another task added to the ones already required to run a club this large. Remember, we all can't all sit back and let the other members do our job. I realize that many members in the past have donated much energy and time to make the club and the flying field what they are today. It's now the time for some new volunteers to get involved. Your president for 1988 will be relying on an active board to support him through his term.

THE VANDALIZED FIELD ACTIVITY SIGN HAS BEEN UPDATED AND REMOUNTED OUT AT THE FIELD, SO READ IT FOR UPCOMING FIELD EVENTS. AN ENCLOSED BULLETIN BOARD (PAID FOR BY THE VALLEY FLYERS AND INSTALLED BUY L.A.CITY DEPT OF REC.AND PARKS), HAS BEEN INSTALLED AT THE FLYING FIELD. IT WILL SERVE AS AN INFORMATION CENTER FOR CLUB/FIELD ACTIVITIES AS WELL AS POSTING OF FLYING FIELD RULES AND REGULATIONS. FOR SAFETY REASONS AS WELL AS TO PROTECT THE VALLEY FLYERS AND OR FLYING FIELD, SIGNS WILL BE POSTED AT EACH END OF THE RUNWAY STATING "WARNING LOW FLYING AIRCRAFT". DON'T WORRY, THE SIGNS WONT BE IN LINE WITH THE RUNWAY, BUT WILL BE OFFSET TO THE SIDE. NEW FLYING FREQUENCIES TAKE EFFECT JAN. 1, 1988, DETAIL WILL BE IN NEXT MONTHS NEWSLETTER.

MEMBERSHIP REPORT

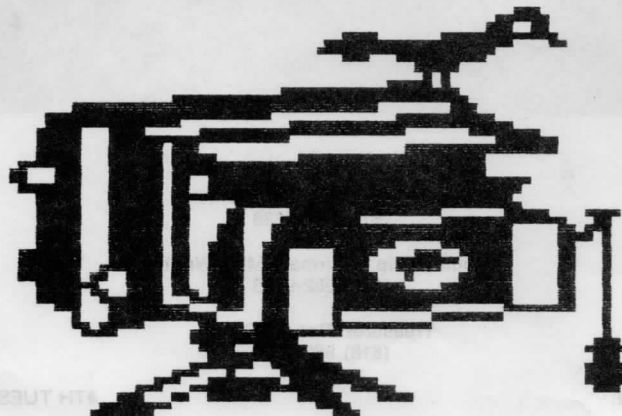

Over the last month or so the membership has grown by about 22 members and I would like to welcome them to The Valley Flyers. I know that some of the new members live quite a distance away from encino but I would like to suggest that they attend a general meeting even if they can only make it once in a while. It does keep you in touch with events and is a pleasant way to spend an evening and get to know other members of the club.

Now a word about 1988 dues: the AMA renewals are now being received by members, I would suggest that you renew your AMA membership as soon as possible. In previous years an AMA number was sufficient for Valley Flyer membership. We will now require proof of membership in the form of current years AMA membership card. This is not a new rule, just the application of an existing one and it is in the interest of the club.

FROM THE EDITOR

Those of you that have been to the field in the last week or so, know that the city has put the new bulletin board up and if there is any news between newsletters, we will post it there. It is time to start thinking about next years board members. I have been going to Board Meetings for about eight years now and have never been a member and I enjoy them as much as the general meetings. Think about running for the board and you to can have a ball.
