FROM THE PRESIDENT

Well before you know it the Christmas party and installation dinner will be all over with. I have a quite a few nice door prizes and this year we will have a door prize for the laddies and one for the men, but all the rest will be for members only. So far I have at least one radio and may have two. I will try to have enough so that every member their will win something. But I do need help. If I and the other members of the board can do all this work just so that you can have a good dinner and party, then you can buy you tickets now. It is only a few weeks before the dinner (Dec. 12th)and I am still up in the air as to how many of you will attend. I really don't think that is fair. **BRING YOUR MONEY TO THE MEETING!!!! DON'T WAIT ANY LONGER!!!** Now if you can not come to the meeting send your \$15.00 per ticket to me and I will have your tickets at the door. Don't forget Santa will be there and if He does not see you, you can just forget Christmas.

VICK

POTPOURRI

Coming up this meeting will be the election of new Board members. This event is important. Remember that the people you elect will be working to improve your club next year. Come and vote. Running are:

Carl Maltar	Willie Gardner
Ken Kronick	Rick Cincis
Pete Mahoney.	

This month, the guest speaker is L.R. Taylor. Mr. Taylor is well known as a repairman of radios, but also sells a line of batteries and electronic accessories for radios. Come with your questions.

New Flyers--Don't forget that we have three club Flight Instructors; Glen Roe, Marv Zauss and Ken Turner. Ask them to help you get it up (the airplane, that is.) Also, I, (Marc Schwartz) will make myself as available as possible for pre-flight checks. Call on me--it could save you from spending your flying weekend fiddling with adjustments. Phone numbers are:

Glen	(818) 769-5803
Marv	(818) 786-0855
Ken	(818) 340-4876
Marc	(818) 881-2249

FOR SALE:

Giant scale Sweet & Low Stick, ready to fly with Quadra 50. \$375. Is the firm price. Contact Bob Smith (818) 892-1467 evenings or (818) 717-6355 days. Makes a great Christmas gift to yourself.

We are in the planning stages for next year's Club events. Included this month is a calendar with proposed events. We are also considering a field trip or two. Please provide your input. Give me a phone call and let me know what event(s) you would like to see next year.

Toys for Tots is coming December 4th. Plan on attending this worthwhile event.

Included this month for you scratch builders is a chart of properties of various materials. Verry interesting.

Don't forget to renew your membership for 1989 in the Club. Also remember your AMA membership.

FOR SALE:

Xmtr only (Futaba 7FGK AM) with 2 each S-28 Servos. Would make a good trainer with buddy cord.

Poet's Corner

To the tune of "Twinkle, Twinkle Little Star"

Wrinkle, Wrinkle on the wing
Didn't stretch your covering
Tried to tighten it with heat
But it didn't come out neat
Next time pull with all your might
Get your Monokote more tight
