

The Valley Flyer

AMA Charter Club #152 Celebrating 60 years

October 2010

Michael Lipsey
Newsletter Editor

Welcome to the October Newsletter!

This month's meeting is extremely important! We will be having nominations for various Board positions that are opening up. The following positions are open for nominations:

- President
- Vice President
- Treasurer
- Media Director
- Membership Director
- Public Relations
- Event Director
- Web Master
- Program Director
- Hospitality Director
- Field Manager
- Helicopter Director

There is a great deal of opportunity to get involved in a leadership role in the club and I encourage you to think about who you want to nominate for these positions or if you are interested in filling one of them yourself. Nominations are this month and the election will be at the November meeting.

We have some events coming, on November 6th is a club fun fly and night fly. On November 28th we have the next installment of LA Jets and finally on December 12th we have the Toys for Tots event.

These events are going to be a great time but we need volunteers for them so please do—Volunteer!

One of the things I have been excited about recently are the developments of electric power plants and the 'fuel' they provide for smaller models. A model that I saw recently on Horizon's website is the Habu 32 (shown in the picture). It isn't released yet but it is not going to help my budget one bit! A turbine is out of reach for me but these newer electric ducted fan models are well within the average modelers reach.

The November meeting is already going to be an exciting meeting with the elections coming up but it will also be the annual worker's raffle so check with Bob Smith to make sure that you are getting the credit you earned this year. If you were a lap counter or pylon monitor during the last couple of indoor micro helicopter events please speak to me. I want to make sure you get on Bob's list for helping out with those events.

Chuck Thompson ran the recent Y-Fly event which had more than 150 youngsters present. That attendance level is a new record for the three

year old event. In attendance were Y-Guides, Princesses, Trail Blazers and about 30 Cub Scouts plus many others who were not affiliated with any particular group. Next year more scouts will be invited. To support the event we had over 30 volunteers, 10 R/C Club Trainers, 8 R/C simulators and the 150 Sky Streaks and 20 gliders that were provided by the AMA.

The event was covered via video which the club will get a copy of. Also the Encino Patch published an article on the event which can be reached at the following link:

<http://encino.patch.com/articles/the-sky-is-the-limit-at-y-fly-2010>

Great Job to all involved!

See you at the meeting.

Upcoming Events

- **November 6th**—Fun fly and Night Fly
- **November 28th**—LA JETS Fall 2010
- **December 12th**—Toys for Tots

We need volunteers for each of these events! Remember, your participation brings with it credit toward the year end raffle!

YEAR END DRAWING

November 23rd will feature the year end drawing for members that supported the club this year in events and field maintenance activities. I hope to have a report at the October meeting for members to verify their activity/credit for 2010. I already have an email from a member advising me they will not be in attendance but they have given me their proxy. If you know you will be 'unable' to attend the November 23rd meeting, email me at flynbs@socal.rr.com or call me @ 661-298-2614 and advise me of who will select prizes for you. Of course, I'm available for proxy duty if you so wish.

Regards, Bob Smith

Treasurer's Report

As of October 8th, the checking balance is \$ 8,487.85.

The PAYPAL balance is \$2,031.15.

Total funds: \$10,519.00

Mike the above info is for the October newsletter.

Today's deposits consisted of the following;

- 1) 1,227.00 foundation reimburse for table tops and pressure washer
- 2) 172.00 comprised of \$20 membership, \$40 shirts, \$112 Sept giveaway
- 3) 523.00 comprised of \$298 BBQ, \$200 kitty reimburse & \$25 membership.

Regards, Bob Smith

Secretary's Report Part I Scott Ramos, Secretary

Board Meeting Minutes, September 7, 2010

Members Present; Jason Pakfar, Chuck Thompson, Scott Ramos, Gary Stevens, Mario Sweet, Tony di Leo, Ricc Bieber, Dave Sweany, Benny Elkouby, Sam Gengo, Robert Burn, Bob Smith

Members Absent; Adam Gelbart, Bert Magbanua, Michael Lipsey

Jason Pakfar

Willy asked about the park benches from Parks & Recs... Jason said that it has been submitted to the parks for the next year budget.

There is no CD for the 3d Helicopter event so we have no choice but to cancel the event.

We will have to make announcements right away. Sam will send a flyer to Dave for local distribution.

If there are videos available, Jason can put them up on the website. Jason purchased all the parts for the trainers except for 6 servos. The total was 418, including chargers. They did not have receivers. Jason will check at Smith Brothers. Cliff did 3 cards for 2011. Jason will forward them for review. Next meeting will be nominations. Jason would like to check back with CSUN about their pricing. The dates available are the 4th 11th and 18th. The Toys for Tots event is on the 12th, which leaves the 4th or the 18th. The preference will be the 18th. There may be a couple of other locations possible. We will be asking 25 from the members and the club will subsidize the rest. We need to recruit a new Helicopter Director before the Helicopter area work can continue. With the loss of revenue for the cancellation of the 3D Helicopter event, the work will be put on hold.

Chuck Thompson

We have 2 electric and 2 gas small trainers. We are short a wing for one of the electric. There are 3 larger gas trainers. The transmitters that we got for buddy boxes do not work with the DX7s. We need transmitters for the y-fly. If we have radios donated for the event, they would be handled by the children. Chuck suggests that we purchase 4 DX7 transmitters Jason will loan 2 radios. We are still short 1 transmitter for master and 7 transmitters. We only need 4 masters and 4 buddy boxes because that is the most that can fly at 1 time. Scott will loan 1 and Dave will loan 1. We need 3 more receivers. There are no starters. Robert will donate 1 starter. Jason suggests 3 starters, 2 at the flight line and 1 in the pits. The batteries for the gas planes need to be checked.

Bob Tarlou will be the announcer for the event. Mike Brown sent 150 Skystreaks and 20 gliders. Chuck needs to find a computer system with flight simulator loaded. Chuck asked the Black Sheep with help constructing the rubber band planes, but not heard back yet. We are expecting 120 – 150 kids. Jason has the permits. Chuck will check for the sanctions. We need to check stock on wrist bands. Jason will do a turbine demo and Dave will crash his biplane. Ricc will be doing hot dogs for the concession stand.

The following members are not up this year
Ben Elkouby, Electric Director
Dave Sweany, Field Manager
Scott Ramos, Secretary
Mario Sweet, Safety Officer
Tony di Leo, Flight Instructor
Ricc Bieber, Hospitality Director
Bob Smith, Treasurer
Robert Burn, Event Director

Scott. Ramos

Scott asked about the AMA convention. We will deal with it in November. Chuck has received the application. Jason's opinion is to do 3 booths or not at all.

Dave Sweany

Willy, Dave and Benny have completed the tables. Willy has made signs for proper use of the area. Today, Dave did some work on the bill of materials for the charging station. The cost will be about \$500. The work will begin soon for the new solar installation. Dave will start using the pressure washer before events. Since Dave took over the position, there's a lot more work for the field maintenance. Willy suggests that we offer some incentives to club members for some basic maintenance chores. Willy suggested we offer worker raffle tickets for this help. We also need to make a list of tasks that need to be done. Jason reminds us that most of the large projects will soon be complete. This will allow more time for regular maintenance. Willy will work on the list of chores. We may consider to use some other incentive besides worker raffle tickets, such as BBQ. We need to develop a field maintenance schedule.

Gary Stevens

Membership is at 285.

Sam Gengo

Sam has been working on the 2011 schedule. Chuck found that the date for the jet event in November will need to be corrected to the 28th. We need to come up with a name and date for the March 3D Airplane event. We need to get the dates for the black sheep and control line events. All fun-flies will have swap meets. We need to email all the other clubs about their schedules to prevent further conflicts. Jason suggests

adding another electric fun fly event. The electric events are popular. We need to check for holiday conflicts and other park events across the street.

Bob Smith

Checking \$6,600

The foundation will be giving a check to \$1277.07

Paypal \$2,1959 We will be receiving \$2000 from the movie shoot.

Jason suggests a budget of \$2000 for the workers raffle.

We spent \$600 for the Micro Heli prizes.

The board feels this was too much.

Ricc Bieber

The Station restaurant in Northridge is only available in the afternoon. This will not work for the end of year party. Ricc will continue investigating potential locations.

Mario Sweet

Mario would like to make a sign for the proper procedure for discarding LiPo's.

We could use a small device for draining the charge.

Mario will work on getting media coverage for the Y-fly.

Tony di Leo

There are 6 current students.

Robert Burn

Robert will get together with Jason to go down to Parks

Benny Elkouby

Every event we have, Ben can see that the CDs don't know what needs to be done for the event. Jason suggests an event bin which has all the materials for the event. We also need to police the pilots at events to make sure that all pilots are registered. Because of the size of our facility and size of the events, it is critical to attend to this. We need to have a couple of people checking. Sam said that we need so many people for races, we need to establish the number of workers are needed to do any event. Jason is concerned with a non AMA and non club member having an accident during an event. During an event, all areas need to be controlled, and all pilots need to be registered.

Meeting adjourned at 9:30.

VALLEY RADIO CONTROL FLYERS

Join the Club

The San Fernando Valley R/C Flyers are one of the largest and most active model aviation clubs in the USA. Our home is one of the premiere flying sites in the country, the legendary Apollo XI Field. The field features separate flight areas for model airplanes, park flyers and helicopters. The Valley Flyers host annual events including LA Jets, The Western E-Fly, LA3D Heli and over a dozen other flying events each year.

Join Us Today & Learn to Fly R/C!

- ◆ Learn more about Radio Control modeling
- ◆ Interact with other modelers in your area
- ◆ Get answers to your questions about modeling
- ◆ Meetings feature informative guest speakers
- ◆ Free - flight lessons (club trainers)
- ◆ Participate for free in some club events
- ◆ Visitors are always welcome
- ◆ Youth participation is encouraged
- ◆ Compete in club fun flies and events

Club Meetings

Meetings are held the 4th Tuesday of each month at the Encino Community Center, (4935 Balboa Blvd.) - Meetings start at 7:30 PM

Apollo 11 Field Schedule 2010 – Rev-G

Schedule may CHANGE! Check monthly newsletter or valleyflyers.com for updates!

60 Years Strong!

Dear Model Aircraft & Radio Control Enthusiast,

Thank you for your interest in Model Aviation. The San Fernando Valley Radio Control Flyers (SFVRCF) is Academy of Model Aeronautics Charter Club #152, and in 2010 the club will celebrate its **60th Anniversary!** Joining the Valley Flyers is a great way to support the hobby while enjoying the rich, educational benefits and camaraderie that Club membership can bring.

The main emphasis of the Club is the promotion of model aviation, to maintain the Apollo XI field both physically and politically for model aviation, and to promote good fellowship and community relations. With your membership, you support the many Apollo XI field improvements and community relations projects the club is championing.

Benefits of Membership Include:

- Free flight instruction. We use our Club trainer airplanes, radios, and fuel... You provide the enthusiasm!
- Free Annual BBQ & Club-subsidized End-of-Year Holiday Party & Award Presentation & FREE Fun Fly Events.
- Club Meetings including Show-And-Tell, Model-Related Programs & Presentations, and a Monthly Raffle.
- Up to a 10% Discount for purchases at supporting hobby shops*
- The Valley Flyer – The club's official newsletter.

Please fill out and sign the membership application. Send the application with a check for the membership dues (make check payable to **The Valley Flyers**) to Valley Flyers Membership, PO Box 2055, North Hills, CA 91393 Alternately, you may bring your application to a Club meeting, or sign up using PayPal® at www.valleyflyers.com online.

Prospective Members and Guests are always welcome and invited to Club meetings. Your support is greatly appreciated.

Gary Stevens
Membership Director
San Fernando Valley Radio Control Flyers
glstevens@verizon.net

Along with your modest annual dues, you need to have a current membership in the **Academy of Model Aeronautics**. If you are not yet an AMA member, you can sign up by calling 765-287-1256 or visiting www.modelaircraft.org online.

SFVRCF Club Meetings

Club meetings are held on the 4th Tuesday of each month at 7:30 PM. Refreshments will be available. Please bring a couple of extra dollars for refreshments and raffle tickets if you so desire.

2010 Club Meeting Schedule			
January	26th	July	27th
February	23rd	August	24th
March	23rd	September	28th
April	27th	October	26th
May	25th	November	23rd – Annual Workers' Raffle
June	22nd	December	TBD Holiday Party

The SFVRCF is Academy of Model Aeronautics (AMA) charter club # 152, and as a charter club all members of the SFVRCF must be members in good standing with the AMA. Failure to become an AMA member or to keep your AMA membership current will void your SFVRCF membership. Your AMA membership is verified each year when you renew your club membership. SFVRCF members are expected to abide by club bylaws, Academy of Model Aeronautics rules, Apollo XI field flying regulations, and normal standards of conduct and courtesy.

* Some restrictions may apply call store for details.
