## VALLEY FLYER'S ANNUAL BBQ – 2012

I want to thank the membership for making this year's BBQ a success! We had more members and guests bring food than I can remember. It was great seeing the 'majority' of members bring food to the pot luck! We fed around 110 members and guests and had 55 entries for the flying portion.

So what's on tap for next year? Since we went quite a bit over the budget this year on steak, 2013 will feature burgers instead. However, Ricc's delicious chicken will still be available. I know most of you didn't get to taste it this year and unfortunately you missed a treat! It was baked at home and reheated at the field. That and a mess of string beans and Robert Burn's pies and I was set! I digress. Hopefully everyone will continue with the pot luck contributions!

Here's a list of event officials that made it happen. If your name isn't here, email me at [fly-nbs@socal.rr.com](mailto:fly-nbs@socal.rr.com) and you'll be added.

## OCTOBER CLUB MEETING

### VF STARLET ARF

The photo is actually a 2400mm size aircraft but the drawing version is for electrics only at 900mm. This is a model of a full' scale aircraft! Just a coincidence that it's (the large gas version) featured in the latest edition of Model Airplane News!

**Wingspan** approx. 900 mm (about 36")

**Overall length**, approx. 600 mm

**All-up weight**, approx. 500 g

**Wing area** 11,2 dm<sup>2</sup>

**Wing loading** 38,0 g/dm<sup>2</sup>.

It's related to the Starduster bi-plane line of aircraft and you will see the resemblance.

Go the Graupner site <http://www.graupner-usa.com/> for more detail on power and ESC systems.

Comments on the full size; a low-horsepower, single-place parasol, this is a fun machine. Easy to build and easy to fly, it is the best of both worlds. Engines in the 65 to 125 HP range work best. Excellent visibility and a pretty design keep our excitement high.

I think it's a neat little project! Good luck in the drawing.

**NATIONAL MINIATURE  
PYLON RACING  
ASSOCIATION'S (NMPRA)  
Q40 CHAMPIONSHIP RACE**

I wanted to make a quick announcement regarding the November 3<sup>rd</sup> Fun Fly. We are sorry to say it has been canceled.

However, it will be replaced with the National Miniature Pylon Racing Association's (NMPRA) National Q40 Championship race for 2012, being held November 3<sup>rd</sup> to the 4<sup>th</sup>.

The NMPRA event was originally scheduled for "Speed World" in Arizona, but due to some public relationship issues, their field is currently not available. Your board was approached and we said yes. It's an important event in our hobby and our stepping up to rescue the situation is our duty the AMA and NMPRA.

We need your help to conduct this event. Our goal is to get all the 'experienced' race officials and Q500 APRA club pilots to officiate the event. If you fit this description, please see me at the November general meeting, email me at [flynbs@socal.rr.com](mailto:flynbs@socal.rr.com) or call me at 661-

298-2614 and let me know what day(s) you are available. Earlier this year after our last Q500 race, the board agreed that we would have a worker drawing each day, with some additional perks for 3-4 of the event's officials for that day. There will be one entry in a drawing for 1/2 day, and 2 entries for the whole day of officiating."

We also will be depending on the experienced officials to train those that sign up to help officiate the event with less experience.

As usual, meals and refreshments will be provided to those that help run the event!

**YEAR END EVENT OFFICIAL'S GIVE AWAY – NOVEMBER 27<sup>TH</sup>**

This October 23<sup>rd</sup> will be the last meeting before the year-end give away. I have reports of event officials throughout the year and they will be available for your review at the October meeting.

This will be your chance to correct any discrepancies. Remember, only club members are entered into the drawing but

will receive extra credit for when family members (or friends) help them at an event.

Hope to hear from you soon.

Sincerely, Bob Smith

**Holiday Party and Place Set**

The annual Valley Flyers Holiday Party date and place has been set! Please mark your calendars for Sunday, December 9, 2012 from 6PM to later that evening to meet at Mandarin King Restaurant, 17092 Devonshire Blvd., Northridge (West of Balboa). Featured menu will be appetizer, soup, 4-5 main dishes and maybe even dessert (still working out the menu). Coffee, tea and sodas are included as well, and if you need to lubricate your tonsils, more 'advanced' drinks are available at the no-host bar. It should be a fun evening, so make your plans now to attend. Cost per person should be in the \$20-25.00 range, so stay tuned for more info as we get closer to the date. Starting in November, we'll be taking reservations and money for this event

Well folks, it's coming to the end of the year once again. The leaves are turning some place

(did someone say 'seasons in California?'), kids are back in school, Thanksgiving is just around the corner, and the Holiday season looms large just ahead!

It's also election time at the Valley Flyers. (And don't forget to vote in the National, State and local elections!) There are a lot of positions open this time around, and I have decided to run for President of this organization. Chuck Thompson has decided to take some time off and become a private citizen, so the office is open. He has done a fine job, and leaves the club in a pretty good position, one I plan to continue with and even expand upon. I am also running for this position because I have spoken with a few other of our members on the board, and believe I have put together a great team for the next two years, not to mention someone to sling hash in my absence. They are as follows:

**Mario Sweet**

Vice President

**Bob Smith**

Treasurer

**Either Athena Aguilla or**

**Tony Aguilla** (how about both?) Media Director

**Bob Tarlau**

PR

**Dan Ziliak**  
Hospitality  
**Randy Mytar**  
Electric Director

Turbines-I have talked to Sam Difata and Jeff Tolomeo, we'll see what happens. Secretary position, Membership, Program and Heli are open—can you fill the bill?

I started with this club some 18 years ago as a newbie, and I have enjoyed every moment and challenge presented. I would enjoy being your new president, and continuing the legacy of excellence we have promoted thus far! The members I am recommending for these positions have the same passion and dedication that I have towards this club, and if you know of anyone, including YOU, please come to the October meeting and throw your hat into the ring. We'd love to invite you to the party! Flaps Up!
