A GREAT NASA NIGHT

Thanks to the 11 members of the Valley Flyers who turned out Friday May 18th for "NASA Night" at Vintage Magnet School. We had hundreds of kids visit our tables and watch our flying demonstrations. Special thanks to Orel Elbaz, Tony Aguila and Winston Brown for bringing and flying aircraft. Other members who participated were: Ricc Bieber, Matt Carroll, Sam DiFatta, Tena Homme, Bob Smith, Dave Sweany, Mario Sweet and Bob Tarlau. This was our third year participating at NASA Night and we no doubt made quite an impression - and handed out lots of flyers about the club and the jet rally held the following day.

James (Jim) Hobson was a valley flyer and AMA member for many years, he produced and directed the Lawrence Welk Show (3000+ shows). He was a collector of unusual engines and displayed them at VF meetings. He liked unusual models like the umbrella ship in the pictures. Jim was the nicest guy and very generous!
