Hello Valley Flyers, it's going to be a hot one. Throw some sunscreen in your field box. I am happy to report that the fun fly swap meets was a big

success. This long anticipated event is now behind us and while it was not a sellout, in terms of pilot entries, those who participated had a great time. and flew some beautiful scale models.

A reminder, We have a general meeting this Tuesday (that is indeed tomorrow) at the Encino Community Center at 7:30. It will feature the QUAD Indoor Olympics,

so if you have a Quad, you're encouraged to bring it. Hello Valley Flyers,

Benny Elkouby
President

Dear SAN FERNANDO VALLEY,

Thank you for your contribution of \$100.00 to the American Heart Association on 8/10/2013 3:23:48 PM (PT). We're very grateful for your support.

You're helping countless people live longer, healthier lives. Here's how:

- **Innovative Research.** You're helping bright young researchers do pioneering work. Our funding has produced revolutionary discoveries - CPR, clot-busting drugs, drug-eluting stents - and eight researchers who've won Nobel Prizes. You're making possible the next life saving breakthrough.
- **Vital Education.** You're helping millions of Americans learn about heart disease and stroke. How to lower their risk. Recognize warning signs. Respond in an emergency. That's benefiting adults, children, African Americans, Latinos, patients. People in your community thanks to you, your loved ones can better safeguard their health.
- **Quality Healthcare.** You deserve the best treatment and care - and we're making sure you get it. Our guidelines help doctors make the right choices. And our programs help hospitals put proven care protocols in place.
- **A Voice in Government.** Our extensive advocacy champions key issues at the local, state, and national levels. The goal? To make us all safe from our nation's No. 1 killer, cardiovascular disease.

Thanks again for your generous support of our lifesaving work. For future reference, your confirmation number is 152646757. Please keep this letter as a receipt for your records. This donation is tax-deductible and **our Federal Tax ID number is 13-5613797**. No goods or services were provided in consideration of this gift.

Sincere Thanks,

Nancy A. Brown

3. Open flying is restricted during scheduled events.
4. No take offs and landings from the pit area, taxiways, or grass.
5. 400 feet maximum flying altitude.
6. Take-off and landings to be in the same direction according to the wind.
