A message from our president

The weather is cooling off and the days are already shorter. It's been an incredible year, with many fun events behind us.

I wanted to thank the Board of Directors, the volunteers and the membership for helping make our club a great club.

The board is working very hard to finalize our 2014 event Schedule.

Is it me or is it already November? The weather is definitely colder and the sun sets at 5:30 pm.

Besides the occasional Santa Ana winds we are lucky to have the sunny California weather. We get to fly all year round, while the rest of the country moves indoors.

The upcoming November Club meeting is, in my opinion, one of the most

important meetings of the year. This is when you get to elect almost half of the Board of Directors.

The Board is directly responsible for shaping the clubs activities. This is your chance to make a difference by electing the right board member that will look after your interests. (Within the framework of the club's bylaws of course.)

Be sure to mark your calendar for the next club meeting on November 26th

Benny Elkouby
President

2013 YEAR END EVENT OFFICIAL'S DRAWING

November 26th will feature the year end drawing for members that supported the club this year in events and field maintenance activities. There will be another copy of the 'officials list for 2013' at the November meeting. If you were an event official this year and are not on the list, it means you are not a paid member in the club (or I made a mistake). If you know you will be 'unable' to attend the November meeting, email me at bob-smith2003@yahoo.com or call me @ 661-298-2614 and advise me of who will select prizes for you (be your proxy).

If you do not advise me of whom your proxy is, you cannot have another member select for you without advising me that they are your proxy!

Any member stating they are picking for someone that is not present and the non-present person has not advised me that they have a proxy, will be denied the privilege of selecting/taking a gift for that person! I will announce who the proxies are at the beginning of the selection. The only exceptions to this are 'family' members. i.e. wives, husbands, daughters and sons.

I will be the default proxy for members that have NOT notified me!.

Good luck!

Sincerely, **Bob Smith**

NOVEMBER RAFFLE

AT THE TUESDAY NOVEMBER 26TH CLUB MEETING

ESCAPADE MX

The November monthly meeting will feature the latest version of the Escapade Series the MX. It's a 46 size electric plane with a mid wing. Should be a nice sport flyer.

REQUIRES:

Radio: 4-channel, Servos: Two 40 oz-in standard size for elevator & rudder, Two 40 oz-in standard size for aileron, One 40 oz-in standard size/throttle (if using glow engine)

6" (152mm) Extension

Dual Servo Extension

If using Glow Power:

Engine: .46-.55 cu in (7.45- 9.0cc) two stroke OR

.52-.70 cu in (8.5 - 11.1cc) four stroke

Propeller: 11x7 sport

If using brushless electric power:

Motor: Great Planes RimFire .46-.55

ESC: 60A

Propeller: 11x7 electric

Battery: 4S 3350mAh 14.8V LiPo

Adapter: Deans Female Ultra

SPECS:

Wingspan: 52" (1320mm)

Wing Area: 449 sq dm (29 sq dm)

Wing Loading: 26-28 oz/sq ft (79-85 g/sq dm)

Length: 45" (1145mm)

Weight: 5 - 5.5 lb (2270-2490 g)

Configuration: Mid wing

Airfoil: Semi-symmetrical

Don't miss out on the last drawing item for 2013!

Please help support your club by purchasing some raffle tickets!

RESERVE FOR THE HOLIDAY PARTY
SATURDAY, DECEMBER 14TH

It's just three weeks away - our annual Valley Flyers Holiday Party! It's being held this year on Sat Dec 14 starting at 6PM. The location is an excellent, privately owned and operated Italian eatery in North Hollywood.

Victorios Italian Restaurant
10901 Victory Blvd.
North Hollywood, CA 91606

[Here's the Google Map link.](#) Victorios is located on Victory Blvd. – just east of Vineland Ave... on the northwest corner of Victory Blvd. and Cleon Ave. There's plenty of free parking.

Victorios has a large dedicated banquet room. Hospitality Director Dan Ziliak has selected menu choices of roast beef (roasted right there on the premises) and blackened salmon as the menu choices. There will also be vegetarian options. The per person price – including non-alcohol beverages – will be just \$25. And that INCLUDES the tip. Please state your choice of beef or fish or vegetarian when making reservations (details below).

In addition – we're bringing back the popular GIFT EXCHANGE this year. Please bring a wrapped gift (under \$25 please) marked HIS, HERS or THEIRS. During the program each person who brought a gift will be invited up to take another. These gifts can be RC aircraft related – or have nothing to do with our hobby. Be sure you designate on the package whether it is for HIS, HERS or THEIRS.

Bob Smith reports reservations have been coming in and this is important: There will be no ticket sales at the door this time. You must have a paid reservation. That's to make sure we have an accurate food count to give the restaurant about a week before the event. So if you haven't made your reservation yet, please mail a check (made out to Valley Flyers) to Treasurer Bob Smith at:

26639 Purple Martin Court
Canyon Country, CA 91351

Again, please provide your menu choice (beef, salmon or vegetarian). Bob will also be available to take your check at our meeting this coming Tuesday (Nov 26).

Bob will also take orders for the Holiday Party at our November general meeting (Nov 26). But help us get an early count and please send your check (and menu preference to Bob before that).

The Holiday Party will feature good fun, awards (including the club's highest honor, the Reed Packard Award), photo memories, the gift exchange and, oh yes, very good food. So reserve as soon as you can – and we'll see you at Victorios in North Hollywood at 6PM on Sat Dec 14.

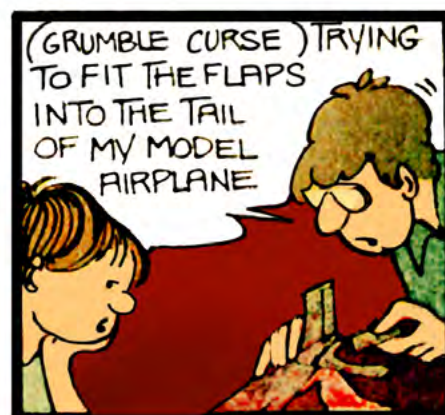

- Bob Tarlau

SUNDAY AUGUST 19TH FUN FLY & SWAP MEET

For Better or Worse

BOARD OF DIRECTORS**MINUTES**7:30-9:00pm

Tena Homme's Notes &
Time

Van Nuys on Sherman Way Denny's right side dining area. Board members were eating, and ordering their food before conversations started.

7:30pm =1st topic Meeting started, and **Benny** thanked everyone for attending.

7:40pm =2nd topic **Benny** talked about the event **Y-Fly 2013** over the weekend. It went very well. Had 125 kids in attendance. Most of the members were in attendance.

8:00pm =3rd topic **Benny** talked about upcoming **AMA Expo**. The Expo will be held January 10-12 at the Ontario Convention Center. Chuck will be helping run this one. Whoever

wants to help let us know. It will be in Ontario Jan 14th.

8:15pm = 4th topic Voting on new membership card design

8:20pm = 5th topic next jet event is in memory of **Sam Difatta**. **Gregg Fullington** will be the CD.

8:30pm = 6th topic **Bob Smith** said the website - as well as the field schedule - needs to clearly indicate "No Heli Flying" at events where RC helicopter flying will not be permitted. Currently that's not indicated on the website. (**Benny** = yes the website should say no flying for Heli's and electric airplanes during events.)

8:40pm = 7th topic **Benny** talking about next on agenda is the Toys for Tots. **Darrell Martin** runs that and he will do it again. 'Dan do you want to make food for Toys for Tots event?' Dan replies (Yes).

8:45pm = 8th topic Benny

talked about where the holiday party will be held. **Victorio's Italian Restaurant**, on Victory and Vineland. 22 people had bought tickets (as of the board meeting)

8:50pm =9th topic **Bob Tarlau** at what point do you think we could finalize the 2014 schedule. When can we run it on a news letter or E-blast? Benny replies (In December. It's still a little too early right now.)

9:00pm = 10th topic **Bob Smith** Money \$3400 total between the two check account and Paypal. I need 800 dollars towards the year end raffle. We need ballots for nominations.

9:05 =11th topic Dan talked about Cake for holiday party, what kind and from where?

9:10pm = Meeting ends

Hundreds of exhibitors, aviation, and aerospace experts will greet thousands of attendees at the 16th annual AMA Expo in Ontario CA, January, 10-12, 2014, at the Ontario Convention Center.

The three-day AMA Expo provides a "whole family" experience for both experienced modelers and newcomers to the hobby, as well as enjoyment for all in love with flight. The Expo offers the latest products in radio-controlled model aviation, demonstrations, interactive displays, and exploration of intricacies of flying model airplanes, helicopters, rockets, gliders, and more

64 YEARS OF SERVICE

Dear Model Aircraft & Radio Control Enthusiast,

Thank you for your interest in Model Aviation. The San Fernando Valley Radio Control Flyers (SFVRCF) is Academy of Model Aeronautics Charter Club #152, and in 2014 the club will enjoy its 64th year! Joining the Valley Flyers is a great way to support the hobby while enjoying the rich, educational benefits and camaraderie that Club membership can bring.

The main emphasis of the Club is the promotion of model aviation, to maintain the Apollo XI field both physically and politically for model aviation, and to promote good fellowship and community relations. With your membership, you support the many Apollo XI field improvements and community relations projects the club is championing.

Benefits of Membership Include:

- Free flight instruction. We use our Club trainer airplanes, radios, and fuel... You provide the enthusiasm!
- Free Annual BBQ & Club-subsidized End-of-Year Holiday Party & Award Presentation & FREE Fun Fly Events.
- Club Meetings including Show-And-Tell, Model-Related Programs & Presentations, and a Monthly Raffle.
- RC eNews – Timely and informative email messages about upcoming events, field closure notices and more.
- The Valley Flyer – The club's official newsletter.

Please fill out and sign the membership application. Send the application with a check for the membership dues (make check payable to **The Valley Flyers**) to Valley Flyers Membership, PO Box 2055, North Hills, CA 91393. Alternately, you may bring your application to a Club meeting, or sign up using PayPal® at www.valleyflyers.com online.

Prospective Members and Guests are always welcome and invited to Club meetings. Your support is greatly appreciated.

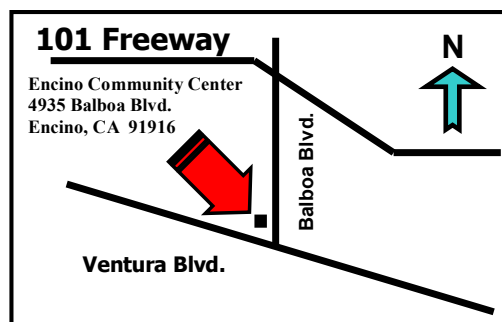

Barbara Brace, Membership Director
babz2008@gmail.com

Along with your modest annual dues, you need to have a current membership in the **Academy of Model Aeronautics**. If you are not yet an AMA member, you can sign up by calling 765-287-1256 or visiting www.modelaircraft.org online.

SFVRCF Club Meetings

Club meetings are held on the 4th Tuesday of each month at 7:30 PM. Refreshments will be available. Please bring a couple of extra dollars for refreshments and raffle tickets if you so desire.

2014 Club Meeting Schedule			
January	28th	July	22 nd
February	25th	August	26 th
March	25th	September	23 rd
April	22 nd	October	28 th
May	27 th	November	25th – Annual Workers Raffle
June	24 th	December	TBD Holiday Party

The SFVRCF is Academy of Model Aeronautics (AMA) charter club # 152, and as a charter club all members of the SFVRCF must be members in good standing with the AMA. Failure to become an AMA member or to keep your AMA membership current will void your SFVRCF membership. Your AMA membership is verified each year when you renew your club membership. SFVRCF members are expected to abide by club bylaws, Academy of Model Aeronautics rules, Apollo XI field flying regulations, and normal standards of conduct and courtesy.

Apollo XI Field Flying Regulations

This facility is designed to accommodate four general types of powered remotely controlled aircraft in separate areas of the park.

1. Radio controlled heavier than one pound on the main runway.
2. Radio controlled one pound or less & R/C gliders North of the pit area.
3. Radio controlled helicopters South of the pit area
4. Control line flight in the designated Control line circles

This facility does **NOT** accommodate free flight aircraft, Kites, rocketry of any kind; R/C cars or R/C trucks.

Radio Control Flight Rules

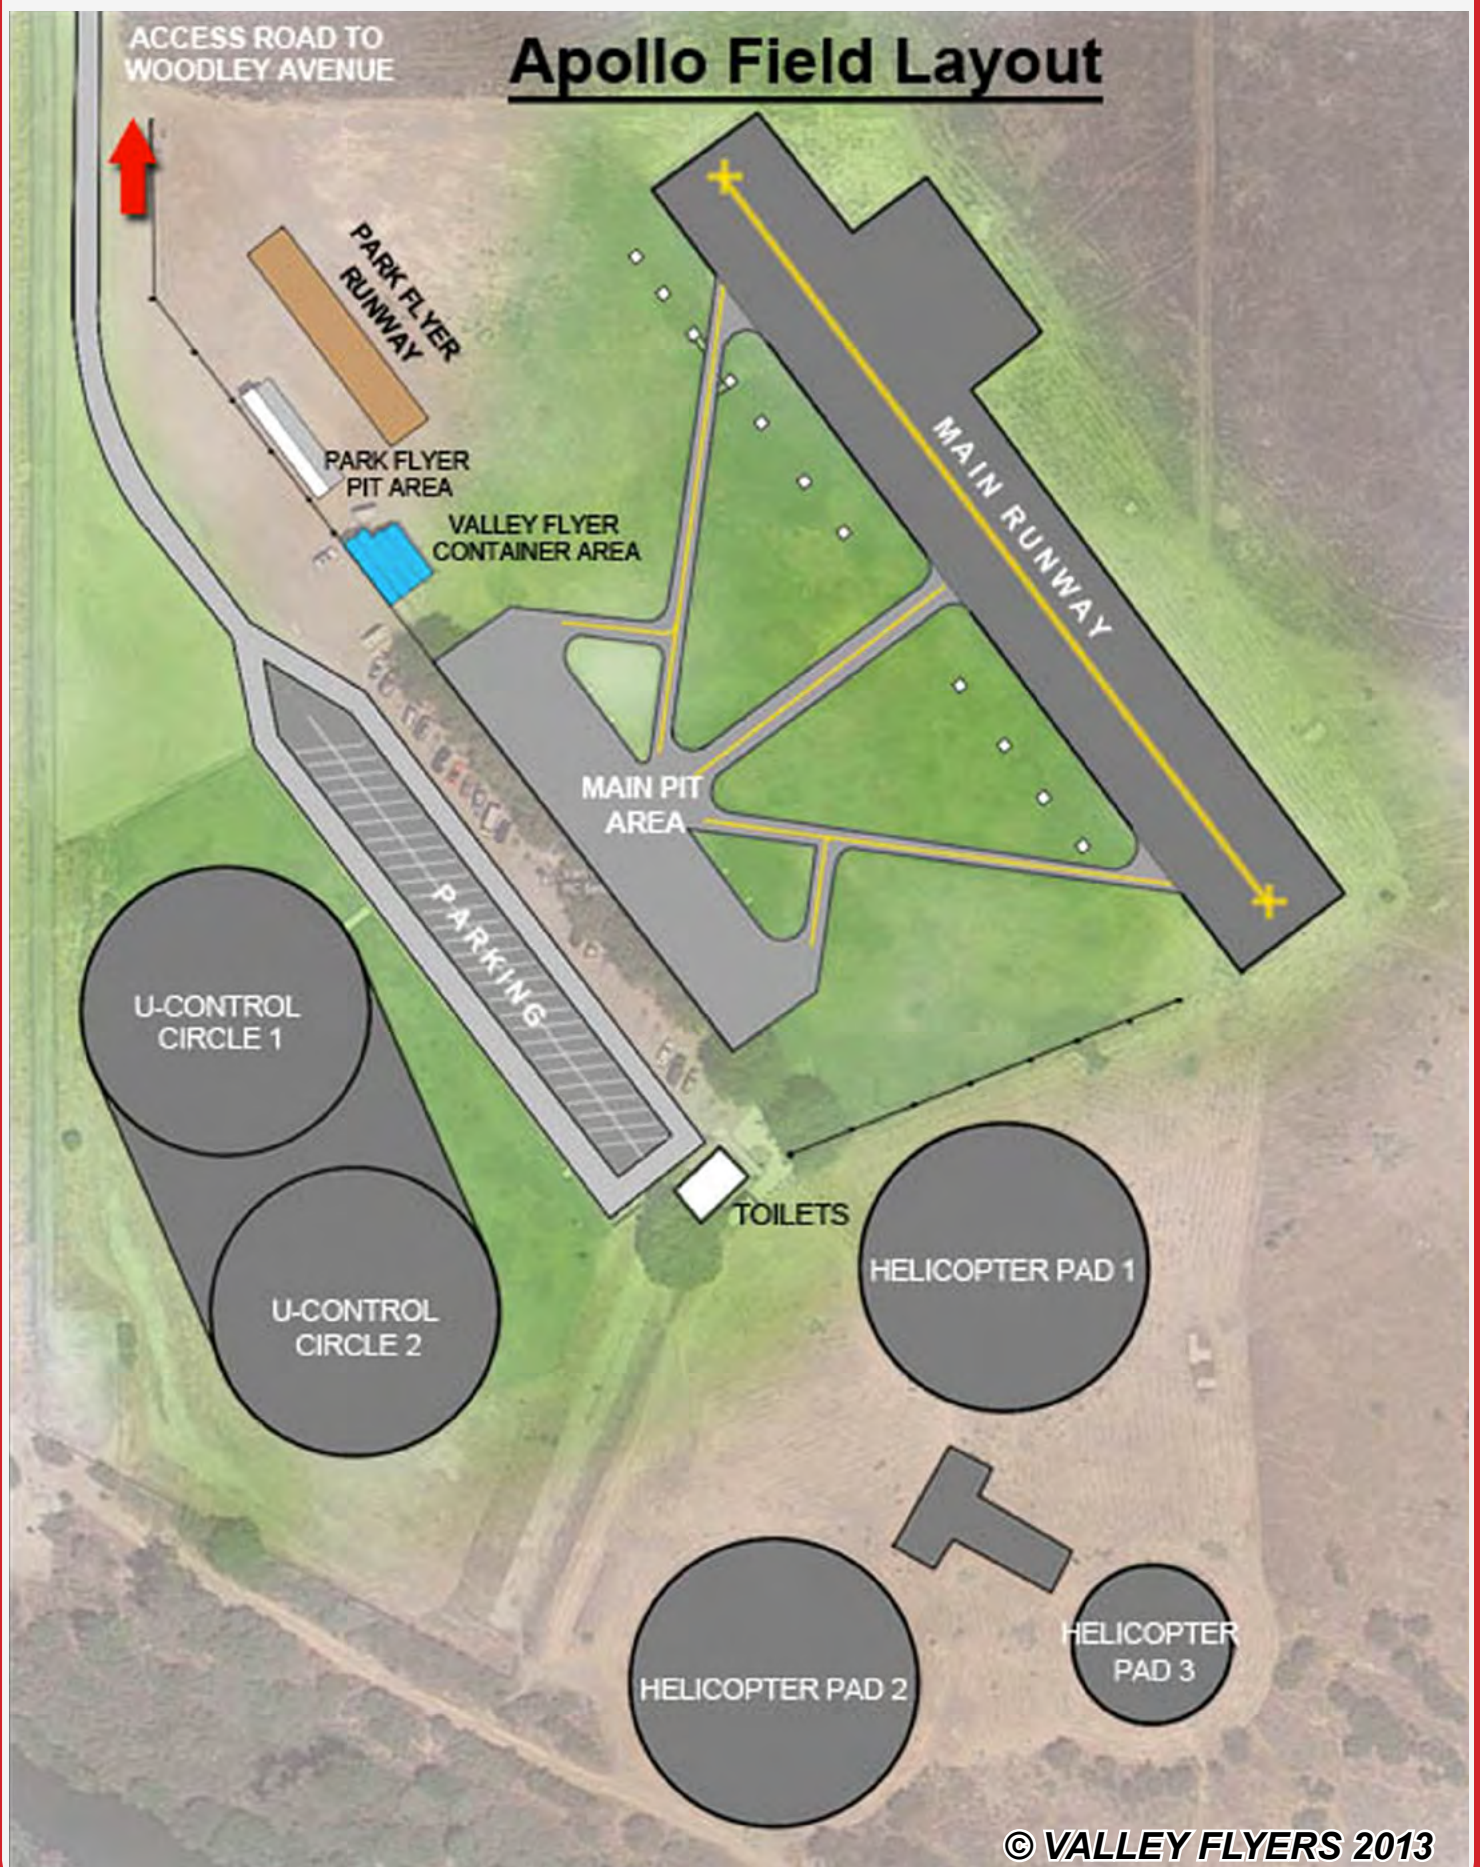

1. All pilots must fly from one of the designated pilot stands.
2. The frequency board will be used at all times and pilots must post their frequency usage with a card or I.D. that contains their name or picture I.D.
3. Open flying is restricted during scheduled events.
4. No take offs and landings from the pit area, taxiways, or grass.
5. 400 feet maximum flying altitude.
6. Take-off and landings to be in the same direction according to the wind.
7. Down-wind passes over the runway are prohibited when other aircraft are flying.
8. Some sort of fuel recovery system must be used when fueling planes to avoid spillage.
9. All pilots will follow taxiways directions as posted.
10. Pilots will call out their intentions (landing, take-off, etc) and clear the runway quickly.
11. There shall be no flying during facility mowing operations
12. Flying over the Golf course, access roads or public roads is prohibited.
13. Each type of aircraft must fly and pit within the area designated on the map for that type of vehicle. Fixed wing aircraft will have a standard left or right pattern depending on the wind.

Failure to comply with these regulations may result in a citation, loss of flying privilege or both.

*****Pilots please note, the Field is closed to open flying during all Valley Flyers Events.***

Pilots must check-in to participate. A valid VF Club membership and/or AMA membership is required.

Become a member, visit www.Valleyflyers.com for more information. 2/2013
