## **NOVEMBER MEETING IS ELECTION NIGHT**

Final board member nominations will be accepted at this meeting. It's important that you as a member attend this meeting to vote for the 2015-2016 board members.

The following was extracted from the bylaws;

### **SECTION V VOTING.**

All matters submitted for vote at a meeting of the members shall require an affirmative vote of greater than fifty percent of the

members in attendance. Voting may be oral or by a show of hands except that in the election of the board, where voting shall be by secret ballot.

The secret ballot policy will apply when more than one nominee is being considered for any board position; otherwise a show of hands is sufficient with the majority rules as the policy. Only current year Valley Flyer members shall be given a ballot or choice to vote. The current year status of the member must be verified by the most recent

roster. If they are not on the roster for the current year, they will not be given a ballot, unless they can produce a current year membership card. Members joining or renewing with the club on the night of the balloting will not be allowed to vote. The roster can be provided by any current board of directors. Please bring your membership card for 2014 so that we can easily verify that you are a current year member.

Sincerely,  
Bob Smith, Treasurer

**BBQ AND FUN FLY EVENT – SEP-  
TEMBER 21ST**

The annual BBQ and Fun Fly is in the books. We had 55 registered pilots, all but three or four were Valley Flyers. This event also serves as the 2015 renewal opening and Barbara was busy with that along with food procurement. For those with reservations, we served 21 members and guest for burgers, along with 9 members and guests for chicken. After that we served another 38 members and guests. After all members were fed there was food remaining and it was sold at \$5.00 a plate. Benny managed to hold off on serving desserts until after food was served and devoured. We had some very nice and tasty contributions from the membership. Thanks you to all the members who brought food, it was delish. Ricc Bieber was able to prepare the chicken at home, even with an ailing Father-in-law, who seems to be on the mend. Thanks for your efforts Ricc. Those also included in the year end giveaway, due to their support at this event; Mike Stoner (burger chef), Shawn Keermann, Dan Ziliak, Mario Sweet, Rusty Cook, Benny Elkouby and Athena Aguila. If I omitted any event officials, just email me for an update. Till next year, happy landings! Bob Smith CD

## 65 YEARS OF SERVICE

### Dear Model Aircraft & Radio Control Enthusiast,

Thank you for your interest in Model Aviation. The San Fernando Valley Radio Control Flyers (SFVRCF) is Academy of Model Aeronautics Charter Club #152, and in 2015 the club will enjoy its 65<sup>th</sup> year! Joining the Valley Flyers is a great way to support the hobby while enjoying the rich, educational benefits and camaraderie that Club membership can bring.

The main emphasis of the Club is the promotion of model aviation, to maintain the Apollo XI field both physically and politically for model aviation, and to promote good fellowship and community relations. With your membership, you support the many Apollo XI field improvements and community relations projects the club is championing.

### Benefits of Membership Include:

- Free flight instruction. We use our Club trainer airplanes, radios, and fuel... You provide the enthusiasm!
- Free Annual BBQ & Club-subsidized End-of-Year Holiday Party & Award Presentation & FREE Fun Fly Events.
- Club Meetings including Show-And-Tell, Model-Related Programs & Presentations, and a Monthly Raffle.
- RC eNews – Timely and informative email messages about upcoming events, field closure notices and more.
- The Valley Flyer – The club's official newsletter.

Please fill out and sign the membership application. Send the application with a check for the membership dues (make check payable to **The Valley Flyers**) to Valley Flyers Membership, PO Box 2055, North Hills, CA 91393. Alternately, you may bring your application to a Club meeting, or sign up using PayPal® at [www.valleyflyers.club](http://www.valleyflyers.club) online.

Prospective Members and Guests are always welcome and invited to Club meetings. Your support is greatly appreciated.

Barbara Brace, Membership Director  
[babz2008@gmail.com](mailto:babz2008@gmail.com)  
 818-310-1874

Along with your modest annual dues, you need to have a current membership in the **Academy of Model Aeronautics**. If you are not yet an AMA member, you can sign up by calling 765-287-1256 or visiting [www.modelaircraft.org](http://www.modelaircraft.org) online.

### SFVRCF Club Meetings

Club meetings are held on the 4<sup>th</sup> Tuesday of each month at 7:30 PM. Refreshments will be available. Please bring a couple of extra dollars for refreshments and raffle tickets if you so desire.

The SFVRCF is Academy of Model Aeronautics (AMA) charter club # 152, and as a charter club all members of the SFVRCF must be members in good standing with the AMA. Failure to become an AMA member or to keep your AMA membership current will void your SFVRCF membership. Your AMA membership is verified each year when you renew your club membership. SFVRCF members are expected to abide by club bylaws, Academy of Model Aeronautics rules, Apollo XI field flying regulations, and normal standards of conduct and courtesy.

## Apollo XI Field Flying Regulations

**This facility is designed to accommodate four general types of powered remotely controlled aircraft in separate areas of the park.**

1. Radio controlled heavier than one pound on the main runway.
2. Radio controlled one pound or less & R/C gliders North of the pit area.
3. Radio controlled helicopters South of the pit area
4. Control line flight in the designated Control line circles

This facility does **NOT** accommodate free flight aircraft, Kites, rocketry of any kind: R/C cars or R/C trucks.

## Radio Control Flight Rules

1. All pilots must fly from one of the designated pilot stands.
2. The frequency board will be used at all times and pilots must post their frequency usage with a card or I.D that contains their name or picture I.D.
3. Open flying is restricted during scheduled events.
4. No take offs and landings from the pit area, taxiways, or grass.
5. 400 feet maximum flying altitude.
6. Take-off and landings to be in the same direction according to the wind.
7. Down-wind passes over the runway are prohibited when other aircraft are flying.
8. Some sort of fuel recovery system must be used when fueling planes to avoid spillage.
9. All pilots will follow taxiways directions as posted.
10. Pilots will call out their intentions (landing, take-off, etc) and clear the runway quickly.
11. There shall be no flying during facility mowing operations
12. Flying over the Golf course, access roads or public roads is prohibited.
13. Each type of aircraft must fly and pit within the area designated on the map for that type of vehicle. Fixed wing aircraft will have a standard left or right pattern depending on the wind.

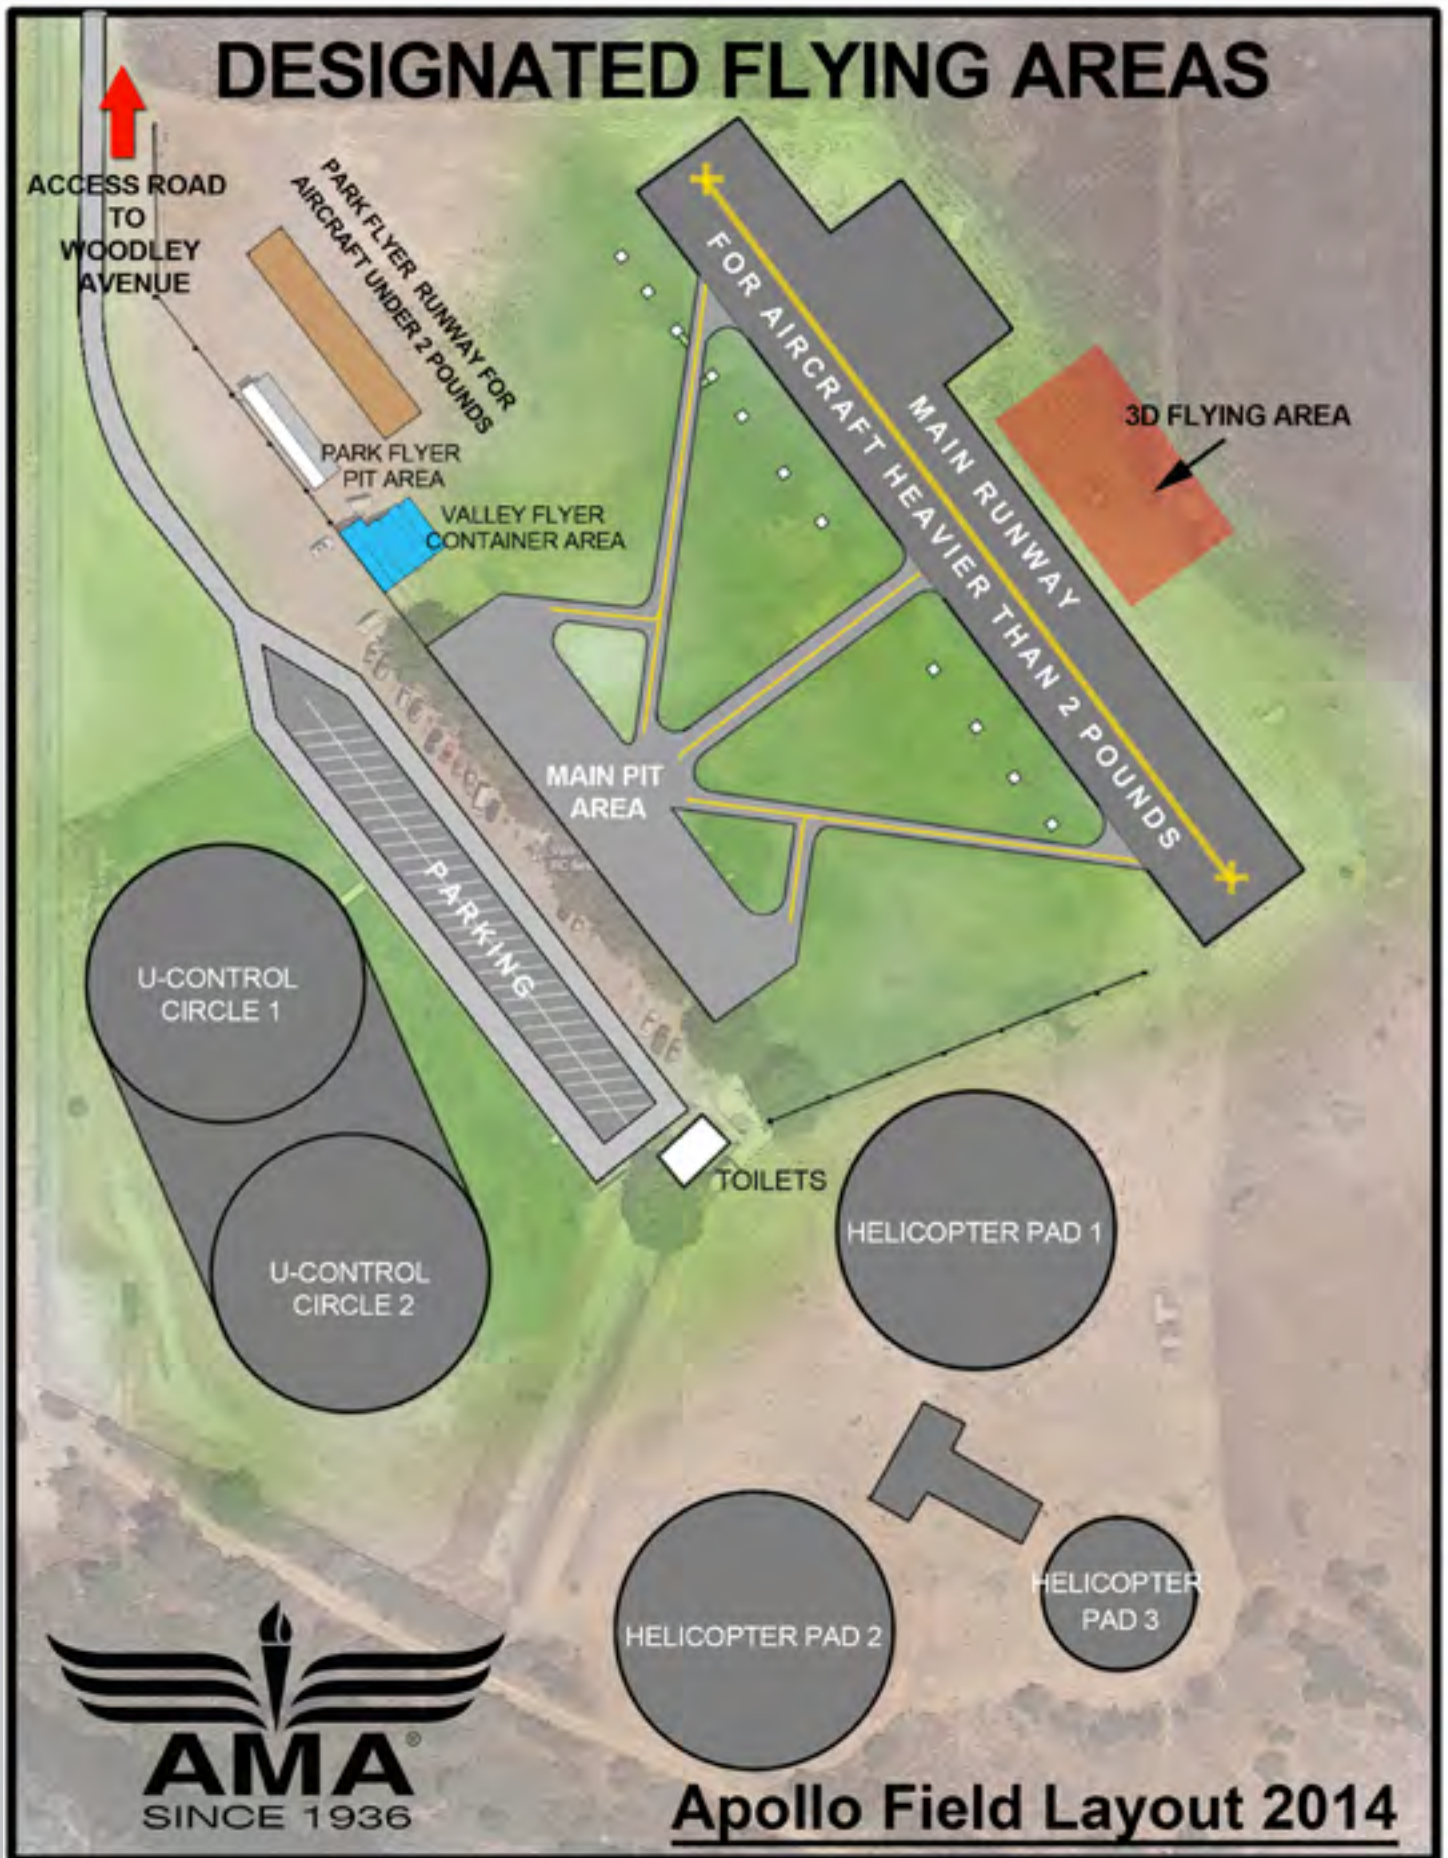

***Failure to comply with these regulations may result in a citation, loss of flying privilege or both.***

***\*\*Pilots please note, the Field is closed to open flying during all Valley Flyers Events.***

Pilots must check-in to participate. A valid VF Club membership and/or AMA membership is required.  
Become a member, visit [www.Valleyflyers.com](http://www.Valleyflyers.com) for more information. 2/2013

## ADDENDUM TO RULES AND REGULATIONS

- 1) Fly from the designated flying areas, no taxi way take offs please to prevent low pass collisions.
- 2) Fly on the runway side with the other flyers, to communicate with each other.
- 3) Call your intentions-Taking Off, Landing, ***Remember Landings have priority.***
- 4) Fly the pattern everyone else is flying, unless you communicate with each other.  
The first one out flying dictates direction, or wait til he is finished.
- 5) 3 D stunt flying should be done ***off*** the runways to avoid mid air collisions.
- 6) stay within the boundaries as much as possible to avoid mid air collisions.
- 7) Most of all: new pilots at the airfield, If you think you might need help a lot of us are there to assist you, so you don't crash your plane, or crash into some one. Working on your planes, make sure some one is helping you, I've seen too many times propeller cuts to the pilot or bystander.
