We are still encountering a few problems out at the field. We have new pilots which "Welcome to the club".

Pilots that fly in the Park Flyer area, you need to stay in the cone area

I know there is over lap in the north corner, so watch out for planes flying on the main runway area. Watch all around. Stay out of the golf course also, that's a cause for major complaints. Field etiquette and safety guidelines need to be followed, fly the direction the other pilots are flying, one plane going the wrong direction can cause a mid air accident.

Call all take offs and landings. Landings have priority over any take offs. Fly from the designated flight areas, each area has standing areas. People like to fly at the south end of the park area which is like playing on the 405 freeway, trust me if a plane hits you in the head it will effect the shape of your head. When working on your plane have some one help you especially if your are working on it, and it is pugged in. Those props hit your hand it will end your day going to the hospital. They will cut down to the bone. Don't fly into or over the pit areas. Drinking of alcoholic beverages is strictly prohibited. Your flying along with your driving is impaired. This is a big safety concern. You don't want to hurt someone and you want to be thinking clearly. Remember these are not toys. The

Quad Boys--- You need to fly in the designated area, which is at the south side of the field, not exceeding Woodley Ave Bike Path, Burbank Blvd Bike Path, and once again the Van Nuys Golf Course property. You can be cited by the authorities, and I hear it can be quite expensive. So why do it?? Everyone deserves to enjoy themselves. Last thing our height limit is 400 ft, try to abide by it. We don't need the Van Airport Police coming by. I will try to put out a list of the safety guidelines the following month. Lets fly safe, if there is a problem let the safety committee handle it.

Request:

People that get a new club membership and are requesting flight training- I need to be emailed in advance so I can have a training plane ready.

Safety.

Quadcopters need to flown in the Heli area and flown in the field area, I'm observing FPV flight without a spotter, some one needs to be in line of sight when these are flown. That is a FAA rule. Too many times I'll ask where is your quad, and I get a reply of "I don't know." Remember safety first. Height limit is 400 ft, yielding for scale aircraft at all times. The height limit is for all aircraft. In reverse pattern situations watch out for all scale aircraft approaching Van Nuys Airport from the south for landings, they come in lower than you are use to. Please stay out of their airspace what ever height they approach at.

BIG CAUTION:

Landings have priority over take offs!!

If you are waiting to take off, hold

your position off the runway ***until called landings are completed.***

HEIGHT RESTRICTIONS

We have been getting complaints about planes exceeding designated height limits of 400 feet.

Jets going vertical easily exceed 400feet. In addition 3D airplanes doing maneuvers also exceed these height restrictions.

Rec and Parks have started enforcing no assisted viewing while flying quads. We can only warn and post signs under the Mayor's amendment. If caught by law enforcement they could arrest you and confiscate your equipment. I don't want to see that happening to anyone.

So at this time no flying with goggles and viewing monitors, screens ,I-pads anything other that your natural eye site, with glasses, hopefully I did not leave anything out, cell phones. Do you get the clear picture.

Safety is done informing people of this. We all want to have fun and enjoy the field, but the way its going with exceeding the height limit, I'm still getting calls from Van Nuys Airport Operations, sooner or later we will face field closure. That will really be a sad day when a 60 year old model airfield get closed due to people disregarding common sense safety guidelines to not interfere with scale aircraft landing, fly over the golf course, fly too close to people on the bike path, fly where you should not fly causing a major fatality auto accident. We need to fly smarter and safer with in our field area.

Mike Stoner

VP, Safety Committee

NEW RULES!!**NEW RULES!!**

Unmanned Aircraft Systems

An unmanned aircraft system (UAS), sometimes called a drone, is an aircraft without a human pilot onboard – instead, the UAS is controlled from an operator on the ground.

(Thats Fixed Wing, Rotary Wing or Multi Rotor)

Thats All of Us!!!

On October 5, 2018, the President signed the FAA Reauthorization Act of 2018 (PDF). The Act establishes new conditions for recreational use of drones and immediately repeals the Special Rule for Model Aircraft. The agency is evaluating the impacts of this change in the law and how implementation will proceed. In the interim, please continue to follow all current policies and guidance with respect to recreational use of drones.

When you fly a drone in the United States, it is your responsibility to understand and abide by the rules.

**All pilots flying unmanned aircraft systems
over 0.55 and under 55lbs
must register with the FAA**

Go to the FAA website to register
<https://faadronezone.faa.gov/#/>

You will be subject to civil and criminal penalties if you meet the criteria to register an unmanned aircraft and do not register.

Tony Aguila

Tony and Tena teamed up to expand our electronic environment at the Apollo XI field to include the drone facility, a great extension to our flying facility. The electronics that Tony installed, including the solar components that he arranged to be installed, is a testament to his effort. Tony is also a CD and contributes to the club in that manner. Congratulations!!!!

Marta Horvath

Compliments to Valley Flyers member Marta Horvath who is now
District 7 2018 NSRCA Sportsman Champion.

Marta flies AMA and Classic Pattern.

She is asisted by her husband, and long time member Dave Horvath.

Congratulations!!!!

TOYS FOR TOTS 2018

took pictures), and we were able to purchase new toys with the donated money of \$132.00 at Toy City (Former Toys R Us). The Fire Department would not accept cash donation. I turned in the receipt to Glen for the 2018 taxes. Tena was able to talk to the Manager of Toy City, and get us a great deal on the toys. They sold us about \$200 for the \$137 I covered the difference in Tax. No need for reimbursement just donate that to the club.

ing the event, so we canceled the food. Later we had better turnout, so I purchased Domino's Pizza for the people who paid for food. No need for reimbursement also I just donate that to the club. Thanks again for the people who helped.

All in all was a very successful event.

Thanks and till next year...

TONY AND TENA!

There were a total of 30 Flyers. We were able to fill the SUV full of donated toys (Tena and the New Media: Jonathon

No Food was sold per Mike S. We had a very low turnout in the morning almost cancel-

The 2018 Holiday Party is a done deal. Food was marvelous at Victorio's. Around 22 members and their families had a nice dining experience.

Headlining the event was Tony Aguila receiving the Willie Gardner award. Tony and Tena teamed up to expand our elec-

tronic environment at the Apollo XI field to include the drone facility, a great extension to our flying facility. The electronics that Tony installed, including the solar components that he arranged to be installed, is a testament to his effort. Tony is also a CD and contributes to the club in that manner.

Speaking of CD's, Gregg Fullington, Matt Carroll, Frank Miller, Tena Homme, Mike Myers and yours truly supported the club as giving their time and effort to manage events throughout the year. Event Coordinators that helped the CD's were; Brent Smith, Bob Adams, Mike Stoner, Mike Williams and Alex Odorisio. Thank you everyone for your contribution!

Members attending the Party

that were event officials received either \$25 or \$50 gift credit cards in a drawing. Tony and I drew gift cards as proxies for Ed Gappell, Tena Homme and Mario Sweet. Dan Ziliak was drawn as the winner of the DX6 Spectrum radio (lucky dog). That was after Ted Mayer refused his name being drawn!

I hope everyone that attended let this little outing be a nice event for your celebration.

Happy Holidays

We had a great day at the Glendale Field Open House today. A lot of good things happened--first and foremost all the people who showed up had a good time. Glendale Field stalwarts Adam Kline and Mich Bergeson flew half a dozen different fixed wing ships putting on a show for visitors. Adam

and Mich were having fun with Adam's home made "air cannon" hidden inside what looked like a Lego Palace. Mich's plane would make a simulated bombing run--and Adam's air cannon

would blow a cloud of flour into the air. Tena Home and Tony Aquila were out with their quadcopters and also with a video screen showing videos from the initial construction days on the field itself. Jason Mansfield showed up early (I was there to open the field at 0715 and Jason was there by 730. Now Tena and Jason are the candidates for

club president and each of them was "electioneering" in their own particular style. Tena was schmoozing—nothing wrong with that. Jason being more the strong silent type was performing valuable field maintenance and outlining his vision for development of the Glendale field.

Mike Brown became a Glendale Field member today—he lives just a couple of miles away and he and his middle school aged son were flying up a storm early in the morning with some homebuilt foamies. One of them was a stand way off scale Fieseler Storch built out of foam to a Flite Test design. Jason Mansfield had the card printer out and Brown had his Glendale Field card in hand within 20 minutes or so of verifying his AMA membership and payment of dues.

Well done to both Mike and Jason.

When Mich and Adam weren't flying, they were chatting up potential new club members who'd come out to watch the flying.

We even had one gentleman from Washington State who'd come to watch the action (his brother or cousin lived nearby). In late mid morning one of the ABC television drone pilots came out to log some of her required practice hours. Her drone was in the air when Ken Niblock of Disney Productions showed up. He'd contacted us earlier in the week about possibly having some of the Disney drone pilots join the club and log their required practice hours at Glendale Field. Well you can't get a better sales opportunity than that—Ken even knew the ABC pilot. We'll add half a dozen new members from Ken's organization.

Several of the regular Glendale Field members showed up to chat and to watch—and a couple of Valley Flyers members who are not Glendale Field members—but live nearby (they know who I'm talking about) dropped

by. Glen Roe came by the field and explained the intricacies of the solar charging system to several other members.

The weather was fantastic—high 60s and low 70's—the sky was clear and blue, and the wind was minimal. But best of all—a lot of modelers were out for the day peacefully enjoying each others company. It doesn't get much better than that.

Tony and Tena had a picture taken of the two of them with Ken Niblock and the lady drone pilot from ABC. They may have others. But you'll all remember the story of the tailor who "killed 7 with one blow". (Flies that is).

Getting Niblock to visit the field—thank you Mike Stoner for taking the opportunity and then letting me run with it—and then having him say he's going to sign up for six of his pilots—was pretty

sweet. In a way that picture with Tony and Tena represents 7 memberships in one blow (counting renewal by the ABC pilot).

Glen Roe and Tena and Tony and the lady drone pilot from ABC all helped. And Jason Mansfield's work earlier in the week dragging the field and making it look as good as it has looked in a long time was also key. I think that Niblock was sold from the moment he drove on the field and saw the field condition. He said that his pilots had been having to practice on a tiny plot in Silver Lake and they needed more room.

We have a natural advantage due to field location and its "private" nature with the studios and TV stations. Their drone pilots need to log a certain number of practice hours every 60 days—due to both FAA requirements and company policy. We are close to many of the stations and studios. Over time we

should be able to get at least 15, maybe 20 of those folks signing up. They mainly use the field during the week and are ideal members—pay full boat and use the field just a bit.

Winston did a lot of the early groundwork with the various stations; he gave me a partial contact at ABC and the ABC drone pilot gave me additional information today. I'll be con-

tacting the relevant person there about renewing the ABC memberships. I've got to figure out how to crack the NBC group—we had half a dozen pilots from them in 2017, but I don't know how many of them will be renewing. I'll talk with Winston when he gets back from China.

JOIN

NOW

69 YEARS OF SERVICE

Dear Model Aircraft & Radio Control Enthusiast,

Thank you for your interest in Model Aviation. The San Fernando Valley Radio Control Flyers (SFVRCF) is Academy of Model Aeronautics Charter Club #152, and in 2019 the club will enjoy its 69th year! Joining the Valley Flyers is a great way to support the hobby while enjoying the rich, educational benefits and camaraderie that Club membership can bring.

The main emphasis of the Club is the promotion of model aviation, to maintain the Apollo XI field both physically and politically for model aviation, and to promote good fellowship and community relations. With your membership, you support the many Apollo XI field improvements and community relations projects the club is championing.

Benefits of Membership Include:

- Free flight instruction. We use our Club trainer airplanes, radios, and fuel... You provide the enthusiasm!
- Free Annual BBQ & Club-subsidized End-of-Year Holiday Party & Award Presentation & FREE Fun Fly Events.
- Club Meetings including Show-And-Tell, Model-Related Programs & Presentations, and a Monthly Raffle.
- RC eNews – Timely and informative email messages about upcoming events, field closure notices and more.
- The Valley Flyer – The club's official newsletter.

Please fill out and sign the membership application. Send the application with a check for the membership dues (make check payable to **San Fernando Valley R/C Flyers**) to Valley Flyers Membership, P.O. Box 16188 Encino, Ca 91416. Alternately, you may bring your application to a Club meeting. **PayPal can be used to pay your dues through the paypal@valleyflyers.com portal.**

Prospective Members and Guests are always welcome and invited to Club meetings. Your support is greatly appreciated.

Sharon Riberdy, Membership Director
slriberdy@msn.com
 818-916-8748

Along with your modest annual dues, you need to have a current membership in the **Academy of Model Aeronautics**. If you are not yet an AMA member, you can sign up by calling 765-287-1256 or visiting www.modelaircraft.org online.

SFVRCF Club Meetings

Club meetings are held on the 4th Tuesday of each month at **7:00 PM**. Refreshments will be available. Please bring a couple of extra dollars for refreshments and raffle tickets if you so desire.

2019 Club Meeting Schedule

Glendale Field R/C Flyers

Application for Membership

PLEASE PRINT CLEARLY!

Dear Model Aircraft & Radio Control Enthusiast,

*AMA Membership Number:

This will be the 3rd year of opening the Glendale Private Field. The development of this field was started by the San Fernando Valley Radio Control Flyers (SFVRCF) Charter Club #152, and in 2019 that club will enjoy its 69th year! We are thankful for the efforts of Willie Gardner/deceased (field engineer), and past presidents George Finch/deceased, Jason Pakfar, Chuck Thompson and Benny Elkouby for their administrative efforts to bring this field to life.

The intent of the Glendale Club is to implement and establish an 'AMA only' flying site for its members. This means to fly at Glendale Field you must be a member of that club and an AMA member. You must abide by the AMA flying site rules at all times in order to maintain your club membership. As a member, when flying, the Glendale Field membership card must be displayed on your person at all times in order to be a flying pilot at this field. Your guests and family are not allowed to fly. If this rule is not adhered to your membership will be terminated.

If you have a need to contact a Valley Flyer club officer, please contact the Field Marshal, Adam Kline, at adamkline@deltadistributing.net or 626-437-8850. An alternate contact is JASON MANSFIELD, President, at jasonm5115@sbcglobal.net or 818-634-9240.

Flight venue is limited to .40 size nitro and electrical fixed wing, helicopters and small drones. No FPV aircraft or racing airplanes are allowed. Limit your altitude to 400 feet and stay within the field borders. NO FLYING OVER THE FREEWAY

Benefits of Membership Include:

Access to a private field where all field and flight rules have to be adhered to. Free flight instruction (at the Apollo XI field location only). We use our Club trainer airplanes, radios, and fuel...you provide the enthusiasm!

Free Annual BBQ (at Apollo XI field) & Club-subsidized End-of-Year Holiday Party & Award Presentation.

Club Meetings including Show-And-Tell, Model-Related Programs & Presentations, and a Monthly Raffle (Encino Women's Center).

RC eNews – Timely and informative email messages about upcoming events, field closure notices and more.

The Valley Flyer - the club's official newsletter.

Please fill out and sign the membership application. Send the application with a check for the membership dues (make check payable to **San Fernando Valley R/C Flyers**) and mail to Valley Flyers Membership, PO Box 16188, Encino, CA 91416. Alternately, you may bring your application to a Club meeting (conducted every 4th Tuesday). You can pay using PayPal® directed to paypal@valleyflyers.com.

Prospective Members and Guests are always welcome and invited to Club meetings, which are combined Glendale and Valley Flyer members.

Apollo XI Field Flying Regulations

This facility is designed to accommodate four general types of powered remotely controlled aircraft in separate areas of the park.

1. Radio controlled heavier than one pound on the main runway.
2. Radio controlled one pound or less & R/C gliders North of the pit area.
3. Radio controlled helicopters South of the pit area
4. Control line flight in the designated Control line circles

This facility does **NOT** accommodate free flight aircraft, Kites, rocketry of any kind: R/C cars or R/C trucks.

Radio Control Flight Rules

1. All pilots must fly from one of the designated pilot stands.
2. The frequency board will be used at all times and pilots must post their frequency usage with a card or I.D that contains their name or picture I.D.
3. Open flying is restricted during scheduled events.
4. No take offs and landings from the pit area, taxiways, or grass.
5. 400 feet maximum flying altitude.
6. Take-off and landings to be in the same direction according to the wind.
7. Down-wind passes over the runway are prohibited when other aircraft are flying.
8. Some sort of fuel recovery system must be used when fueling planes to avoid spillage.
9. All pilots will follow taxiways directions as posted.
10. Pilots will call out their intentions (landing, take-off, etc) and clear the runway quickly.
11. There shall be no flying during facility mowing operations
12. Flying over the Golf course, access roads or public roads is prohibited.
13. Each type of aircraft must fly and pit within the area designated on the map for that type of vehicle. Fixed wing aircraft will have a standard left or right pattern depending on the wind.

Failure to comply with these regulations may result in a citation, loss of flying privilege or both.

*****Pilots please note, the Field is closed to open flying during all Valley Flyers Events.***

Pilots must check-in to participate. A valid VF Club membership and/or AMA membership is required.

Become a member, visit www.Valleyflyers.com for more information. 2/2013

ADDENDUM TO RULES AND REGULATIONS

- 1) Fly from the designated flying areas, no taxi way take offs please to prevent low pass collisions.
- 2) Fly on the runway side with the other flyers, to communicate with each other.
- 3) Call your intentions-Taking Off, Landing, ***Remember Landings have priority.***
- 4) Fly the pattern everyone else is flying, unless you communicate with each other.
The first one out flying dictates direction, or wait til he is finished.
- 5) 3 D stunt flying should be done ***off*** the runways to avoid mid air collisions.
- 6) stay within the boundaries as much as possible to avoid mid air collisions.
- 7) Most of all: new pilots at the airfield, If you think you might need help a lot of us are there to assist you, so you don't crash your plane, or crash into some one. Working on your planes, make sure some one is helping you, I've seen too many times propeller cuts to the pilot or bystander.

The following is being proposed as an addendum to the bylaws within ARTICLE III SECTION III REGULAR MEETINGS

To insure meetings are conducted in a way that the President or 'meeting coordinator' has control of who is speaking and for how long, the board of directors is authorizing the 'meeting coordinator' to have complete control of guests that want to speak. If the 'meeting coordinator' anticipates or determines that the guest's subject matter needs to be deferred to the 'board' meeting, he or she, the 'meeting coordinator', is authorized to interrupt the guest from speaking and advise that their discussion will have to be deferred for a board meeting. The 'meeting coordinator' is also authorized to stop the discussion in it's entirety, based on their judgment, determining that the subject is not appropriate for the general meeting, without any explanation or justification.

Any Valley Flyer member in good standing can ask the 'meeting coordinator' to invoke his or her right

BYLAWS - SAN FERNANDO VALLEY R/C FLYERS**ARTICLE I**

NAME, PURPOSE, OBJECTIVE, OFFICES

SECTION I NAME.

The name of the club shall be "San Fernando Valley R/C Flyers, Inc."

SECTION II PURPOSE.

The organization is organized exclusively for charitable, educational and scientific purposes under section 501 c(7) of the Internal Revenue Code or corresponding section of any future federal code.

SECTION III OBJECTIVE.

The objective of the club is to: (A) Promote model aviation; (B) Maintain the Apollo XI field both physically and politically for model aircraft use; (C) Promote safe flying; (D) Promote good fellowship and community relations.

SECTION IV OFFICES.

The principal office of the Corporation shall be located in the State of California the county of Los Angeles. The Corporation may have other offices as decided by the Board of Directors as the affairs of the Corporation may require from time to time. The other offices may either be within or outside of the county of Los Angeles, in the State of California.

ARTICLE II

MEMBERS

SECTION I CLASSES OF MEMBERS.

The Corporation shall have one class of member. The qualification and rights of members shall be as follows:

SECTION I-A QUALIFICATION OF MEMBERS.

(A) Applicants for membership shall be members in good standing or have applied for membership in the Academy of Model Aeronautics; (B) Members operating models shall comply with local safety rules at any given flying site.

SECTION I-B VOTING RIGHTS.

Each member shall be entitled to one vote on each matter submitted to a vote of the members.

SECTION II ELECTION OF MEMBERS.

Persons applying for membership shall be accepted provided any member of the quorum present at a regular meeting does not oppose their application. If membership is opposed, there will be a vote for acceptance; said acceptance will be determined by a majority of the members present.

SECTION III TERMINATION OF MEMBERSHIP.

The Board of Directors, by affirmative vote of a majority of all of the members of the Board, may terminate the membership of a member for cause after an appropriate hearing and by a majority vote of those present at any Regular Meeting.

SECTION IV RESIGNATION.

Any member may resign at any time with no refund or prorating of dues.

SECTION VI TRANSFER OF MEMBERSHIP.

Membership in the SFVRCF Corporation not transferable or assignable.

SECTION VII BYLAWS.

All new members shall be provided with a set of current bylaws, membership roster, and club rules.

Current members may obtain the bylaws, roster, and club rules at the Valley Flyers web site or upon request.

SECTION VIII COALITION /LIAISON APPOINTMENTS.

The president will appoint a member to act as a liaison for the Valley Flyers at the general meetings of the Black Sheep Squadron.

ARTICLE III

MEETINGS OF MEMBERS

SECTION I ANNUAL MEETING.

An annual meeting of the members shall be held on the fourth (4th) Tuesday in the month of November for the purpose of electing and for the transaction of such other business as may come before the meeting.

SECTION II SPECIAL MEETING.

The President, the Board of Directors, or not less than ten (10) members may call a special meeting of the members, provided the membership is notified of the time and place of the meeting.

SECTION III REGULAR MEETINGS.

A regular meeting of the members shall be held on the fourth (4th) Tuesday of every month at 7:30 P.M. at a place designated by the Board of Directors.

(amended 3/29/2016)

To insure meetings are conducted in a way that the President or 'meeting coordinator' has control of who is speaking and for how long, the board of directors is authorizing the 'meeting coordinator' to have complete control of guests that want to speak. If the 'meeting coordinator' anticipates or determines that the guest's subject matter needs to be deferred to the 'board' meeting, he or she, the 'meeting coordinator', is authorized to interrupt the guest from speaking and advise that their discussion will have to be deferred for a board meeting. The 'meeting coordinator' is also authorized to stop the discussion in its entirety, based on their judgment, determining that the subject is not appropriate for the general meeting, without any explanation or justification.

Any Valley Flyer member in good standing can ask the 'meeting coordinator' to invoke his or her right to bring control to a meeting using this bylaw section. Decision is up to 'meeting coordinator'.

SECTION IV QUORUM.

Fifty percent (50%) of the members present shall constitute a quorum at any Regular Meeting.

SECTION V VOTING.

All matters submitted for vote at a meeting of the members shall require an affirmative vote of greater than fifty percent of the members in attendance. Voting may be oral or by a show of hands except that in the election of the board, where voting shall be by secret ballot.

The secret ballot policy will apply when more than one nominee is being considered for any board position; otherwise a show of hands is sufficient with the majority rules as the policy.

Only current year Valley Flyer members shall be given a ballot or choice to vote. The current year status of the member must be verified by the most recent roster. If they are not on the roster for the current year, they will not be given a ballot, unless they can produce a current year membership card.

Members joining or renewing with the club on the night of the balloting will not be allowed to vote.

The roster can be provided by any current board of directors.

ARTICLE IV

BOARD OF DIRECTORS**SECTION I GENERAL POWERS.**

The affairs of the Corporation shall be managed by its Board of Directors, which shall consist of nineteen (19) directors.

SECTION II QUALIFICATIONS AND TENURE.

Directors must be members of the corporation. Each Director shall hold office for a two-year period with the goal of having one half of the board being elected at each annual meeting of the membership.

SECTION III REGULAR MEETINGS.

Regular meetings of the Board of Directors shall be held each month at a specified day, time, and place as designated by Board of Directors.

SECTION IV QUORUM.

A majority of the Board shall constitute a quorum for the transaction of any business meeting of the Board. But if less than a majority is present, a majority of the directors present may adjourn the meeting.

SECTION V COMPENSATION.

Directors as such shall not receive any compensation or stated salaries for their services; but nothing herein contained shall be construed to preclude any director from serving the Corporation in any other capacity and receiving compensation.

ARTICLE V**OFFICERS****SECTION I OFFICERS.**

The officers of the Corporation shall be President, Vice President, Treasurer, Secretary, Hospitality Chairman, Program Director, Event Director, Newsletter Editor, Flight Training Coordinator, Field Manager, Membership Chairman, Safety Officer, Public Relations Director, Helicopter Director, Turbine Director, Giant Scale Director, Electric Flight Director, Media Director, and Webmaster. These officers shall be selected from membership at the end of each term. These officers shall constitute the Board of Directors.

SECTION II ELECTION AND TERM OF OFFICE.

The active membership on a yearly basis shall select the board of the Corporation from the membership, to fill any end of term vacancies. The Board shall fill any additional offices that may be deemed necessary by the board on a temporary basis from the membership. The Board shall fill any additional offices that may be deemed necessary by the board on a permanent basis from the membership, and amend the bylaws to reflect the new positions (Article IV & Article V).

SECTION III REMOVAL.

Any officer, elected or appointed, may be removed by the board whenever, in their judgment, the best interest of the Corporation would be served.

SECTION IV VACANCIES.

The Board, for the un-expired position of the term, may fill a vacancy in any office.

SECTION V PRESIDENT.

The president shall be the principal executive officer of the Corporation and shall, in general, supervise and control all of the business and affairs of the Corporation in conjunction with the other members of the Board. All members of the Board shall have one vote, of equal magnitude, on any issue

concerning the club. The president shall preside at all meetings of the members and of the Board; he may appoint any committee to serve the Corporation as needed. The president shall coordinate activities with the Department of Recreation and Parks and will attend or assign members to attend the monthly Department of Recreation and Parks User meetings. When possible, make reports for the newsletter.

SECTION VI VICE PRESIDENT.

In the absence of the President, or in the event of the President's inability or refusal to act, the vice-president shall perform the duties of the president, and when so acting shall have all of the powers of and be subjected to all the restriction upon the president. The Vice-President shall perform such other duties as may be assigned to him by the President of the Board. When possible, make reports for the newsletter.

SECTION VII TREASURER.

The treasurer shall have charge and custody of and be responsible for all funds of the corporation; receive and give receipts for monies due and payable to the Corporation from any source whatsoever and deposit such monies in the name of the Corporation in a federally insured bank account; and in general perform all the duties incident to the office of treasurer and such other duties assigned to him by the president or by the Board. The Treasurer will be responsible for insuring the Federal and State taxes are filed on an annual basis.

SECTION VIII SECRETARY.

The secretary shall keep the minutes of the meetings of the members and of the Board in the books provided for that purpose, and be custodian of corporate records. Keep a register of the post office addresses of each member, which shall be furnished to the Secretary by the Membership Chairman. The secretary is also responsible for keeping the bylaws in order and up to date. And in general perform all the duties as may be assigned to him by the president or by the Board. When possible, make reports for the newsletter.

SECTION IX HOSPITALITY CHAIRMAN.

Provides: (A) refreshments and snacks for the general club meetings; (B) Coordinates concession stands at club field events. Monies for purchases shall be requested from the Treasurer. Profits from events shall be remitted to the Treasurer. When possible, make reports for the newsletter

SECTION X PROGRAM DIRECTOR.

Prepares and presents programs of education or instruction for monthly membership meetings. When possible, make reports for the newsletter.

SECTION XI EVENT DIRECTOR.

Shall participate in event scheduling and obtaining Contest Directors for events. Shall work with Contest Directors on their event to insure proper sanctions and permits are in place, necessary event officials have been contacted, necessary equipment is available and advertising is done. Shall attempt to coordinate event schedule with other clubs and districts. Shall generally oversee all events. When possible, make reports for the newsletter.

SECTION XII NEWSLETTER EDITOR.

The editor shall be in charge of the publication of the monthly newsletter, which shall be issued to the

members. When possible, make reports for the newsletter.

SECTION XIII FLIGHT TRAINING COORDINATOR.

Coordinates the training of new pilots. Works with the flight instructors and student(s) to arrange times for training sessions. Inspects new student's aircraft and flight equipment. Advises student(s) on the purchase of equipment. Briefs new student(s) on safety rules and protocol at the field. Works with the membership chairman to use the training program for club recruitment. The Flight Training Coordinator is also trustee of the club's training aircraft(s) and equipment. When possible, make reports for the newsletter.

SECTION XIV FIELD MANAGER.

Monitors the physical condition of the field and reports to the Board of Directors and the members. Helps to enforce safety regulations. Maintains an open dialog with the City of Los Angeles, Department of Recreation and Parks. Receives estimates for any field improvement project. Supervises any construction activities at the field. When possible, make reports for the newsletter.

SECTION XV MEMBERSHIP CHAIRMAN.

Collects and remits dues to the Treasurer. Issues membership packets (packets to include: copy of the bylaws, club rules, field rules, Board Member contact list, printed logos and information about each of the clubs represented by the corporation, membership cards, and the current Newsletter.) to old and new members. Prepares a roster, at least twice a year, of active members for publication in newsletter. Prepares annual lists for the Academy of Model Aeronautics in cooperation with the Secretary. When possible, make reports for the newsletter.

SECTION XVI SAFETY OFFICER.

Reviews field safety regulations with Field Manager and the City of Los Angeles, Department of Recreation and Parks. Develops and monitors field safety activities. Helps to enforce safety at the field. When possible, make reports for the newsletter.

SECTION XVII PUBLIC RELATIONS DIRECTOR.

Public Relations Director shall keep correct and complete books and records of all club ordered supplies, shirts, decals, trophies etc. and maintain the club video library. The Public Relations Director will also obtain quotes and request budget funds for items (shirts, decals, trophies, etc.) as will be needed by the club from time to time. Contact Newspapers and other media for advertising of events. Update AMA magazines and Model Magazines with Articles for past events supplied by the Contest Director of the Events. When possible, make reports for the newsletter.

SECTION XVIII HELICOPTER DIRECTOR.

Shall be responsible for communication between the helicopter pilots and the club. When possible, make reports for the newsletter.

SECTION XIX TURBINE DIRECTOR.

Shall be responsible for communication between the Turbine Aircraft pilots and the club. When possible, make reports for the newsletter.

SECTION XX SCALE DIRECTOR.

Shall be responsible for communication between the Giant Scale pilots and the club. When possible, make reports for the newsletter.

SECTION XXI ELECTRIC FLIGHT DIRECTOR.

Shall be responsible for communication between the Electric Aircraft pilots and the club. When possible, make reports for the newsletter.

SECTION XXII MEDIA DIRECTOR.

Shall be in charge of media with respect to the club activities. This includes design of graphics, video, event flyers, and other publications. The Media Director is the artistic sights and sounds of the club. Maintain the club photographic and video data and archives. May guide the design and layout of graphic artwork for such publications as, but not limited to, membership cards, event badges and flyers, and the web site. When possible, make reports for the newsletter.

SECTION XXIII WEBMASTER.

Responsible for maintaining and updating the online web site at valleyflyers.com and its corresponding URLs. Maintain current links on the web site, update information in a timely manner, and maintain an active list of "MetaTags" of relevant search data to make finding our web site and various pages more probable from web searches. When possible, make reports for the newsletter.

ARTICLE VI**CONTRACTS, CHECKS, DEPOSITS, AND FINDS****SECTION I CONTRACTS.**

The Board may authorize any officer of the Corporation to enter into any contract on behalf of the corporation. Such authority may be general or confined to specific instances.

SECTION II GIFTS.

The Board may accept on behalf of the Corporation any contributions or gifts.

ARTICLE VII**BOOKS AND RECORDS**

The Secretary of the Corporation shall keep correct and complete books and records of all minutes of the proceedings of meetings. He also shall keep a record giving the names and addresses of members entitled to vote. All books and records of the Corporation may be inspected by any member or his agent or attorney for any proper purpose at any time by making a written request to the Board of Directors, who will make an appointment for the review.

ARTICLE VIII**DUES****SECTION I AMOUNT OF DUES.**

The annual member dues of the Corporation shall be payable in full at the first of each year, in the case of continuing members. The Corporation shall not operate at a loss due to insufficient dues payments, and may by majority of vote of the membership, change the dues structure. The Board of Directors and Past President members are exempted from dues. Family and junior members shall have special reduced rates. A dues schedule shall be recommend and voted on at the Annual Regular Meeting.

SECTION II PAYMENT OF DUES.

Dues shall be payable at the first meeting of each calendar year. Dues of a new member shall be prorated as per schedule:

January 1 thru March 31 \$25.00

April 1 thru June 30 \$20.00

July 1 thru Sept. 30 \$15.00

October thru December 31 \$10.00

SECTION III MEMBERSHIP APPLICATION.

All members including past presidents and Board members shall submit an application of membership each calendar year. The application will be used by the Membership Chairman to maintain the membership roster.

SECTION IV DEFAULT AND TERMINATION OF MEMBERSHIP.

When any member shall be in default in the payment of his dues and/or does not submit a membership application for a period of two months from the beginning of the calendar year his membership may thereupon be terminated.

ARTICLE IX

CERTIFICATES OF MEMBERSHIP

The Corporation shall provide a certificate of membership in the corporation. Such certificates shall be signed by the Membership Chairman and state the name of the member and date of expiration. The name and address of each member and the date of issuance of the certificate shall be entered in the records of the corporation. If the certificate shall be lost, mutilated, or destroyed, a new certificate may be issued.

ARTICLE X

WAIVER OF NOTICE

Whenever any notice is required to be given under the provisions of the General non-profit Corporation Law of California or under the provisions of the Article of Incorporation or by the Bylaw of the Corporation, a waiver thereof in writing, signed by persons entitled to such notice whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

DISSOLUTION CLAUSE XI

Upon the dissolution of this organization, assets shall be distributed for one or more exempt purposes within the meaning of section 501©(7) of the Internal Revenue Code, or corresponding section of any future federal tax code, or shall be distributed to the federal government, or to a state or local government, for a specific purpose.

ARTICLE XII

AMENDMENTS TO THE BYLAWS

These bylaws may be altered, amended or repealed and new bylaws may be adopted by a majority of the members present at any regular meeting of the Corporation at which a quorum is present, if at least four (4) days written notice is given of intention to alter, amend or repeal, or to adopt new bylaws at such a meeting.
